Title of Proposal: Management Review of Public Housing Projects.

OMB Control Number: 2577—Pending.

Description of the need for the information and proposed use: On September 19, 2005 (70 FR 54983), HUD published a final rule amending the regulations of the Public Housing Operating Fund Program at 24 CFR part

990, which was developed through negotiated rulemaking. Part 990 provides a new formula for distributing operating subsidy to public housing agencies (PHAs) and establishes requirements for PHAs to convert to asset management.

Subpart H of the part 990 regulations (§§ 990.255 to 990.290) establishes the requirements regarding asset management. Under § 990.260(a), PHAs that own and operate 250 or more dwelling rental units must operate using an asset management model consistent with the subpart H regulations. However, for the current fiscal year, that regulation is superseded by section 225 of Title II of Division K of the Consolidated Appropriations Act, 2008, Public Law 110-161 (approved December 26, 2007). Under that law, PHAs that own or operate 400 or fewer units may elect to transition to asset management, but they are not required to do so.

To support the transition to asset management and align HUD oversight with asset management, a new management review format is required to review PHAs on a project level, rather than PHA-wide. The forms are modeled after the asset management model consistent with the management norms in the broader multifamily industry.

Agency form numbers: Forms HUD-5834, HUD-5834-A, and HUD-5834-B.

Members of affected public: Public housing agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: For form HUD-5834, Management Review of Public Housing Projects, there are 3,282 respondents annually with one response per respondent. Average time per response is .95 hours and the total burden hours are 3,118 hours. For form HUD-5834-A, Tenant File Review, there are 821 respondents annually with one response per respondent. Average time per response is .50 hours and the total

burden hours are 410.50 hours. For form HUD-5834-B, Upfront Income Verification Review, there are 821 respondents annually with one response per respondent. Average time per response is .50 hours and the total burden hours are 410.50 hours.

Status of the proposed information collection: New collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: January 30, 2008.

Bessy Kong,

Deputy Assistant Secretary For Policy, Programs and Legislative Initiatives.

Notice of Submission of Proposed Information Collection to OMB

Title of Proposal: Certification and Funding of State and Local Fair Housing Enforcement Agencies.

Office: Fair Housing and Equal Opportunity.

OMB Control Number: 2529-0005.

Description of the need for the information and proposed use:

A. Request for Substantial Equivalence

State and local fair housing enforcement agencies that are seeking

certification in accordance with Section 810(f) of the federal Fair Housing Act (the FHA) submit a request to the Assistant Secretary for Fair Housing and Equal Opportunity. The request must be supported by the text of the jurisdiction's fair housing law, the law creating and empowering the agency, all laws referenced in the jurisdiction's fair housing law, any regulations and directives issued under the law, and any formal opinions of the State Attorney General or the chief legal officer of the jurisdiction that pertain to the jurisdiction's fair housing law. A request shall also include organizational information of the agency responsible for administering and enforcing the law.

B. Information Related to Agency Performance

Once agencies are participating in the FHAP, HUD collects sufficient information to monitor agency performance in accordance with 24 CFR 115.206, which sets forth the performance standards for agencies participating in the FHAP. These standards are meant to ensure that the state or local law, both "on its face" and "in operation," provides substantive rights, procedures, remedies, and judicial review procedures for alleged discriminatory housing practices that are substantially equivalent to those provided in the FHA. In addition, HUD collects sufficient information to monitor agency compliance with 24 CFR 115.307 and 24 CFR 115.308, which set forth requirements for FHAP participation and reporting and record keeping requirements including, but not limited to, the requirement that FHAP agencies use HUD's official complaint data information system, and input complaint processing information into that system in a timely manner.

Frequency of Submission: The Department estimates that requests for substantial equivalence will have the following reporting burdens:

	Number of respondents	×	Annual responses	×	Hours of response	=	Burden hours
Reporting Burden	40		4		10		1,600

The Department estimates that reporting information related to agency performance will have the following reporting burdens:

Reporting Burden	106		33		20		69,960
