

(72 FR 70251) to seek public comment only with respect to two issues raised in the comments that opposed the proposed provision to require fluid UF milk or fluid UF nonfat milk to be declared as “ultrafiltered milk” or “ultrafiltered nonfat milk,” respectively: (1) That, due to economic and logistical burdens, it would be impracticable for cheese manufacturers to comply with the labeling requirement; and (2) that the proposed provision to declare fluid UF milk as “ultrafiltered milk” would be misleading to consumers in that consumers incorrectly believe that cheeses that declare “ultrafiltered milk” as an ingredient are different from those cheeses that declare “milk” as an ingredient or “milk and ultrafiltered milk” as ingredients.

The agency has received a request for an additional 60 days to respond to the questions FDA asked in its December 11, 2007, document. The request expressed concern that the reopening of the comment period did not allow adequate time to provide the data and information that FDA requested.

FDA has considered the request and is extending the request for an additional 60 days until April 11, 2008. The agency believes that this additional time will provide interested parties sufficient time to respond to the questions raised in the December 11, 2007, document.

II. Request for Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments regarding this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Please note that on January 15, 2008, the FDA Web site transitioned to the Federal Dockets Management System (FDMS). FDMS is a Government-wide, electronic docket management system. Electronic submissions will be accepted by FDA through FDMS only.

SUPPLEMENTARY INFORMATION: The Department is extending by 30 days, the comment period for the NPRM proposing revisions to the apprenticeship regulations published on December 13, 2007 (72 FR 71020).

Regulations that implement the National Apprenticeship Act at Title 29 Code of Federal Regulations (CFR) part 29 have not been updated since first promulgated in 1977. These regulations establish, for certain Federal purposes, labor standards, policies and procedures for the registration, cancellation and deregistration of apprenticeship programs, and apprenticeship agreements. Part 29 also provides for the recognition of a State Apprenticeship Agency (SAA) as an agency authorized to register local apprenticeship programs for Federal purposes, and for the revocation of such recognition. On December 13, 2007, the Department published in the **Federal Register** proposed revisions to update 29 CFR

part 29, to ensure that the National Registered Apprenticeship System has the necessary tools and flexibility to keep pace with changes in the economy, technological advances, and corresponding workforce challenges that have occurred over the past three decades. In particular, the proposed rule updates the procedures for apprenticeship program registration, adds requirements for monitoring of program performance, and clarifies the Department's role as manager of the National Apprenticeship System. In addition, the proposed rule incorporates gender neutral terms and expands the variety of media that may be used in the delivery of related technical instruction. Such revisions will enable the Department to promote apprenticeship opportunity in the 21st century while continuing to safeguard the welfare of apprentices.

The Department published its notice of proposed rulemaking in the **Federal Register** of December 13, 2007 (FR Doc. E7-24178) at 72 FR 71020. The notice invited interested persons to submit written comments on the proposed rule on or before February 11, 2008. The Department received a number of requests for an extension of the comment period. After balancing the interests of timeliness and public participation, the Department has determined that it is in the public's

interest to extend the comment period by 30 days. This document extends the comment period through March 12, 2008.

Douglas F. Small,

Deputy Assistant Secretary, Employment and Training Administration.
