This Notice also lists the following information:

Title of Proposal: HOPE VI program.
OMB Control Number: 2577-0208.

Description of the need for the information and proposed use: Section 24 of the U.S. Housing Act of 1937, as added by section 535 of the Quality Housing and Work Responsibility Act of 1998 (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998) and revised by the HOPE VI Program Reauthorization and Small Community Main Street Rejuvenation and Housing Act of 2003 (Pub. L. 108-186, 117 Stat. 2685, approved December 16, 2003), establishes the HOPE VI program for the purpose of making assistance available on a competitive basis to public housing agencies (PHAs) in improving the living environment for public housing residents of severely distressed public housing projects through the demolition, rehabilitation, reconfiguration, or replacement of severely distressed public housing projects (or portions thereof); in revitalizing areas in which public housing sites are located, and contributing to the improvement of the surrounding community; in providing housing that avoids or decreases the concentration of very low-income families; and in building sustainable communities. In addition, the HOPE VI Program Reauthorization and Small Community Main Street Rejuvenation and Housing Act of 2003 added to the HOPE VI program the purpose of making assistance available on a competitive basis to small units of local government to develop affordable housing as part of Main Street rejuvenation projects. The program authorization was renewed by the Consolidated Appropriations Act, 2008 (Pub. L. 110-161, approved December 26, 2007), which extends the program

until September 30, 2008. Under this requirement, the Department only has a few months to award and obligate the 2008 funds or they will be returned to the Treasury.

These information collections are required in connection with the annual publication in the **Federal Register** of Notices of Funding Availability (NOFAs), contingent upon available funding and authorization, which announce the availability of funds provided in annual appropriations for HOPE VI Revitalization, Demolition grants, and HOPE VI Main Street grants.

Eligible public housing agencies (PHAs) (for HOPE VI Revitalization and Demolition) and eligible local units of government (for HOPE VI Main Street) interested in obtaining HOPE VI grants are required to submit applications to HUD, as explained in each program NOFA. The information collection conducted in the applications enables HUD to conduct a comprehensive, merit-based selection process in order to identify and select the applications to receive funding. With the use of HUD-prescribed forms, the information collection provides HUD with sufficient information to approve or disapprove applications.

Applicants that are awarded HOPE VI grants are required to report on a quarterly basis on the sources and uses of all amounts expended for revitalization, demolition, or Main Street activities. HOPE VI Revitalization grantees use a fully-automated, Internet-based process for the submission of quarterly reporting information. HUD reviews and evaluates the collected information and uses it as a primary tool with which to monitor the status of HOPE VI Revitalization projects and the HOPE VI Revitalization program.

Agency form numbers: HUD-52774, HUD-52780, HUD 52785, HUD-52787, HUD-52798, HUD-52790, HUD-52797, HUD-52799, HUD-52800, HUD-52825-A, HUD-52860-A, HUD-52861, HUD-53001-A, SF-424, SF-LLL, HUD-27061, HUD 27300, HUD 2880, HUD 96010, and HUD 96011.

Members of affected public: Public Housing Agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

For HOPE VI Revitalization Application: 30 respondents, once annually, 192 hours average per response results in a total annual reporting burden of 5,795.10 hours.

For HOPE VI Demolition Applications: 34 respondents, once annually, 40.25 hours average per

response results in a total annual reporting burden of 1,408.28 hours.

For HOPE VI Main Street Applications: 15 respondents, once annually, 45 hours average per response results in a total annual reporting burden of 692.55 hours.

For HOPE VI Revitalization Quarterly Reporting: 207 respondents, 4 times annually, 20 hours average per response results in a total annual reporting burden of 16,560 hours.

Grand total: These information collections, along with other Non-NOFA information collection items required in connection with the HOPE VI program including budget updates, supportive services and relocation plans, and cost certificates result in an annual total reporting burden of 26,262.93 hours.

Status of the proposed information collection: Extension of a Currently Approved Collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: February 7, 2008.

Bessy M. Kong,

Deputy Assistant Secretary for Policy, Program, and Legislative Initiatives.

BILLING CODE 4210-67-P

DEPARTMENT OF THE INTERIOR

Office of the Secretary

Privacy Act of 1974; Amendments to Existing Systems of Records

AGENCY: Office of the Secretary, Interior.

ACTION: Proposed amendment of existing Privacy Act systems of records.

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), the Office of the Secretary of the Department of the Interior is issuing public notice of its intent to amend 35 existing Privacy Act system of records notices to add a new routine use to authorize the disclosure of records to individuals involved in responding to a breach of Federal data.

DATES: Comments must be received by March 24, 2008.

ADDRESSES: Any persons interested in commenting on these proposed amendments may do so by submitting comments in writing to the Office of the Secretary Privacy Act Officer, Sue Ellen Sloca, U.S. Department of the Interior, MS-116 SIB, 1951 Constitution Avenue NW., Washington, DC 20240, or by e-mail to Sue_Ellen_Sloca@nbc.gov.

FOR FURTHER INFORMATION CONTACT: Office of the Secretary Privacy Act

Officer, Sue Ellen Sloca, U.S. Department of the Interior, MS-116 SIB, 1951 Constitution Avenue NW., Washington, DC 20240, or by e-mail to Sue_Ellen_Sloca@nbc.gov.

SUPPLEMENTARY INFORMATION: On May 22, 2007, in a memorandum for the heads of Executive Departments and Agencies entitled "Safeguarding Against and Responding to the Breach of Personally Identifiable Information," the Office of Management and Budget directed agencies to develop and publish a routine use for disclosure of information in connection with response and remedial efforts in the event of a data breach. This routine use will serve to protect the interest of the individuals whose information is at issue by allowing agencies to take appropriate steps to facilitate a timely and effective response to the breach, thereby improving its ability to prevent, minimize or remedy any harm resulting from a compromise of data maintained in its systems of records. Accordingly, the Office of the Secretary of the Department of the Interior is proposing to add a new routine use to authorize disclosure to appropriate agencies, entities, and persons, of information maintained in the following systems in the event of a data breach. These amendments will be effective as proposed at the end of the comment period unless comments are received which would require a contrary determination. The Department will publish a revised notice if changes are made based upon a review of comments received.

Sue Ellen Sloca,

Office of the Secretary Privacy Act Officer.
