SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Community Reinvestment Act Regulation—12 CFR part 25.

OMB Control Number: 1557-0160.

Description: The CRA requires the Federal banking agencies (Agencies) to assess the record of banks and savings associations in helping to meet the credit needs of their entire communities, including low- and moderate-income neighborhoods, consistent with safe and sound

operations; and to take this record into account in evaluating applications for mergers, branches, and certain other corporate activities. The CRA statute requires the Agencies to issue regulations to carry out its purposes.

Each Agency must provide written CRA evaluations of the institutions they supervise. The public portion of each written evaluation must present the agency's conclusions with respect to the CRA performance standards identified in its regulations; include the facts and data supporting those conclusions; and contain the institution's CRA rating and the basis for that rating.

The data collection requirements in the CRA regulations are necessary for the Agencies to examine, assess, and assign a rating to an institution's CRA performance and to prepare the public section of the written CRA performance evaluation.

Type of Review: Regular review.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 1,712.

Estimated Total Annual Responses: 1,712.

Estimated Frequency of Response: On occasion.

Estimated Time per Respondent: 70.84 hours.

Estimated Total Annual Burden: 121,282 hours.

An agency may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless the information collection displays a currently valid OMB control number.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:
