SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA) and the Longshore and Harbor Workers' Compensation Act (LHWCA). These acts provide vocational rehabilitation services to eligible workers with disabilities. Form OWCP-44 is used to collect information necessary to decide if maintenance allowances should continue to be paid. Form OWCP-44 is submitted to OWCP by contractors hired to provide vocational rehabilitation services. Form OWCP-44 gives prompt notification of key events that may require OWCP action in the vocational rehabilitation process. This information collection is currently approved for use through September 30, 2008.
