

in a timely manner in the territory of any Party. See Annex 3.25, Note; see also section 203(o)(4)(C) of the Act.

The CAFTA-DR Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamations 7987 and 7996, the President delegated to CITA the authority under section 203(o)(4) of CAFTA-DR Act for modifying the Annex 3.25 list. On March 21, 2007, CITA published final procedures it would follow in considering requests to modify the Annex 3.25 list (72 FR 13256).

On January 16, 2008, the Chairman of CITA received a commercial availability request from Alston & Bird, LLP, on behalf of S. Rothschild & Co., Inc, and Herman Kay & Co., for certain wool blend coating fabrics of the specifications detailed below. On January 18, 2008, CITA notified interested parties of, and posted on its website, the accepted request and asked that interested entities provide, by January 31, 2008, a response advising of its objection to the commercial availability request or its ability to supply the subject product. CITA also asked that any rebuttals to responses be submitted to CITA by February 6, 2008.

No interested entity filed a response advising of its objection to the request or its ability to supply the subject product.

In accordance with Section 203(o)(4)(C) of the CAFTA-DR Act, and its procedures, as no interested entity submitted a response objecting to the request or expressing an ability to supply the subject product, CITA has determined to add the specified fabrics to the list in Annex 3.25 of the CAFTA-DR Agreement.

The subject fabrics are added to the list in Annex 3.25 of the CAFTA-DR Agreement in unrestricted quantities. A revised list has been published on-line.
