Abstract: The Buy American Act requires that only domestic construction material shall be used to perform domestic Federal contracts for construction, with certain exceptions. Despite the allowable exceptions, it is VA policy not to accept foreign construction material. VAAR clause 852.236-89 advises bidders of these provisions and requires bidders who choose to submit a bid that includes foreign construction material to identify and list the price of such material. VA uses the information to determine whether to accept or not accept a bid that includes foreign construction material.
