SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57366; File No. SR-DTC-2008-01]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to Deliver Order Input Cutoff Window

February 21, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ notice is hereby given that on January 10, 2008, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by DTC. DTC filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act² and Rule 19b-4(f)(4) thereunder³ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

DTC will modify its system to provide its participants with the option of submitting deliver orders ("DOs") from

8 p.m. to 11 p.m. during the night cycle.⁴

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

Currently, DTC's system does not allow participants to submit DOs after the night cycle input cutoff at 8 p.m. After the 8 p.m. cutoff, the next input time for participants to submit DOs is the day cycle, which begins at 3 a.m., the next business day.

DTC is extending the DO input time frame to 11 p.m. to provide its participants with additional flexibility to respond on a more timely basis to delivery receive orders that they may have received earlier in the night cycle and to do so at a reduced cost. DOs processed during the extended night cycle will be billed at DTC's current night DO fee of \$0.12. To take advantage of the expanded input window, participants will be required to use a new format.⁵

DTC states that the proposed rule change is consistent with the requirements of Section 17A of the Act⁶ and the rules and regulations thereunder applicable to DTC as it allows for more efficient processing of certain transactions. Therefore, it will not adversely affect the safeguarding of funds or securities in DTC's custody and control or for which it is responsible.

B. Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

DTC has not solicited or received written comments relating to the proposed rule change. DTC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(4)⁸ thereunder because the proposed rule effects a change in an existing service of DTC that (i) does not adversely affect the safeguarding of securities or funds in the custody or control of DTC or for which it is responsible and (ii) does not significantly affect the respective rights or obligations of DTC or persons using the DO service. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57362; File No. SR-DTC-2006-16]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing of Amended Proposed Rule Change Amending FAST and DRS Limited Participant Requirements for Transfer Agents

February 20, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on October 12, 2006, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") and on March 29, 2007, and May 3, 2007, amended proposed rule change No. SR-DTC-2006-16. On May 25, 2007, the Commission published notice of the proposed rule

change as amended by Amendment 1 and Amendment 2.² The Commission received 29 comment letters to the proposed rule change as amended by Amendments 1 and 2.³ On December 31, 2007, DTC filed Amendment 3. The Commission is publishing this notice to solicit comments from interested parties on the proposed rule change as amended by Amendments 1, 2, and 3 and as described in Items I, II, and III below, which items have been prepared primarily by the DTC.⁴

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

DTC proposes to amend its rules to update, standardize, and restate the requirements for the Fast Automated Securities Transfer Program ("FAST"), to delineate the responsibilities of DTC and the transfer agents with respect to the securities held by transfer agents as part of the FAST program, and to restate the requirements for transfer agents participating in the Direct Registration System ("DRS").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.⁵

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Prior to the establishment of the FAST program, transfers of securities to or from DTC occurred by sending securities back and forth between DTC and transfer agents. In the case of securities being deposited with DTC, DTC sent the certificates to the transfer agent for registration into the name of DTC's nominee, Cede & Co., and the transfer agent returned the reregistered

certificates to DTC. In the case of securities being withdrawn from DTC, DTC sent the certificates registered in the name of Cede & Co. to the transfer agent for reregistration into the name designated by the withdrawing DTC participant, and the transfer agent returned the reregistered security to DTC for delivery to the withdrawing participant. This process exposed securities to risk of loss during transit between DTC and transfer agents and resulted in the expense of making physical deliveries of securities.

Under the FAST program, transfer agents hold FAST-eligible securities registered in the name of Cede & Co. in the form of balance certificates. As additional securities are deposited or withdrawn from DTC, transfer agents adjust the denomination of the balance certificates as appropriate and electronically confirm these changes with DTC. Such "FAST agents" are holding in custody those securities that would otherwise be held at DTC for the benefit of DTC's participants. As such, the FAST program reduces the movement of certificates between DTC and the transfer agents and therefore reduces the costs and risks associated with the creation, movement, and storing of certificates to DTC, DTC participants, issuers, and transfer agents.⁶

The FAST program has grown substantially since first being introduced in 1975.⁷ Recent changes in the rules of the major securities exchanges are expected to further accelerate this growth.⁸ Those exchange rules require as a listing prerequisite that issues be eligible for processing through DRS. Since becoming a FAST agent is a criterion for a transfer agent's eligibility for participation in DRS, DTC

⁶ For a description of DTC's current rules relating to FAST, see Securities Exchange Act Release Nos. 34-13342 (March 8, 1977) [File No. SR-DTC-76-3]; 34-14997 (July 26, 1978) [File No. SR-DTC-78-11]; 34-21401 (October 16, 1984) [File No. SR-DTC-84-8]; 34-31941 (March 3, 1993) [SR-DTC-92-15]; and 34-46956 (December 6, 2002) [File No. SR-DTC-2002-15].

⁷ DTC introduced the FAST program in 1975 with 400 issues and 10 agents. Currently, there are over 930,000 issues and approximately 90 agents in FAST.
