

**SECURITIES AND EXCHANGE
COMMISSION**[Release No. 34-57374; File No. SR-CBOE-
2008-13]**Self-Regulatory Organizations;
Chicago Board Options Exchange,
Incorporated; Notice of Filing and
Immediate Effectiveness of Proposed
Rule Change Relating to Fee Changes**

February 22, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 1, 2008, the Chicago Board Options Exchange, Incorporated (“Exchange” or “CBOE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the CBOE. The CBOE has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the CBOE under Section 19(b)(3)(A)(ii) of the Act,³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization’s
Statement of the Terms of Substance of
the Proposed Rule Change**

The CBOE proposes to extend its Hybrid 3.0 book execution fee to orders that are executed by the Hybrid Agency Liaison (“HAL”) system. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.cboe.org/legal>), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

**II. Self-Regulatory Organization’s
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change**

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

**A. Self-Regulatory Organization’s
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change****1. Purpose**

The purpose of this proposed rule change is to add another class of orders to which the Hybrid 3.0 book execution fee of \$.18 per contract applies. On November 1, 2007, the Exchange implemented a fee of \$.18 per contract applicable to orders in Hybrid 3.0 classes resting in the electronic book that are executed. The classes that trade on the Hybrid 3.0 platform are options on the S&P 100 Index (“OEX”), options on the S&P 500 Index (“SPX”), and options on the Morgan Stanley Retail Index (“MVR”). The fee does not apply to orders in SPX options resting in the SPX electronic book that are executed during opening rotation on the final settlement date of CBOE Volatility Index (“VIX”) options and futures.

In January 2008, CBOE introduced the HAL system in Hybrid 3.0 classes. HAL is a system for automated handling of electronically received orders that are not automatically executed upon receipt by the Hybrid Trading System. CBOE Rule 6.14 governs the operation of the HAL system.

Orders received by the HAL system are electronically exposed (flashed) to all CBOE market-makers appointed to the relevant option class as well as to all members acting as agent for orders at the top of the Exchange’s book in the relevant option series. In Hybrid 3.0 classes, this exposure and a subsequent allocation period afford crowd members an opportunity to trade against limit orders that improve the Exchange’s disseminated quotation. If any portion of an exposed order remains unexecuted at the end of a HAL process, the remaining order is displayed.

The Exchange is proposing to extend the Hybrid 3.0 book execution fee to orders in Hybrid 3.0 classes that are executed by the HAL system. Specifically, an order that is exposed (flashed) by HAL and subsequently executed by the HAL system would be charged \$.18 per contract. This is the same as if the order had been booked and then traded.

The Hybrid 3.0 HAL system and book execution system have helped to improve execution time as well as service and efficiency. The fee is designed to help the Exchange recover its costs of developing these systems and offset the cost of maintaining and enhancing these systems in the future.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁵ in general, and furthers the objectives of Section 6(b)(4),⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among CBOE members and other persons using CBOE facilities.

**B. Self-Regulatory Organization’s
Statement on Burden on Competition**

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

**C. Self-Regulatory Organization’s
Statement on Comments on the
Proposed Rule Change Received From
Members, Participants, or Others**

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

**III. Date of Effectiveness of the
Proposed Rule Change and Timing for
Commission Action**

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(2)⁸ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File

No. SR-CBOE-2008-13 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2008-13. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the CBOE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2008-13 and should be submitted on or before March 20, 2008.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57363; File No.-CHX-2007-21]

Self-Regulatory Organizations; Chicago Stock Exchange, Inc.; Notice of Filing of Proposed Rule Change, as Modified by Amendment No. 1, To Amend Rules Relating to Registration Requirements

February 20, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 9, 2007, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange"), filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by CHX. On February 14, 2008, CHX filed Amendment No. 1 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

CHX proposes to amend its registration requirements to require CHX participants to use the Financial Industry Regulatory Authority, Inc.'s ("FINRA") Web Central Registration Depository ("Web CRD") to register associated persons who are required to register with the Exchange under CHX rules. The Exchange would also amend its Fees Schedule (the "Fee Schedule") to include fees that would be charged in connection with the use of Web CRD. The text of this proposed rule change is available at CHX, on the Exchange's Web site at <http://www.chx.com>, and in the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CHX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CHX has prepared

summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA's Web CRD system is a centralized, web-based system used by securities exchanges and broker-dealers across the country to track registration and qualification information about firms and the individuals who work for those firms. The Exchange has entered into an agreement with FINRA to allow the Exchange's participants to use Web CRD to register certain of their associated persons. Through this proposal, the Exchange seeks to amend its registration rules and Fee Schedule: (a) To require Exchange participants to use Web CRD to register associated persons who are required to register with the Exchange under CHX rules; (b) to allow CHX to determine whether participants should submit fingerprints to CHX or to FINRA for processing during the registration process; and (c) to adopt new fees to cover charges assessed by FINRA for its work in processing fingerprints or the materials submitted through the Web CRD system. CHX would also delete a provision that requires firms to notify CHX of the termination of any non-registered, associated person's employment.⁴

The first part of this proposal would require CHX participants to use the Web CRD system to register certain of their associated persons.⁵ Today, CHX participants that are not members of FINRA do not have access to the Web CRD system for registering their associated persons. Instead of using this on-line tool, those participants must handle their registration and continuing education processes manually, by filing paperwork with CHX. CHX staff must process and store this paperwork in hard copy form. To alleviate the need for manual processing and to ensure that other regulatory benefits are

⁴ See Article 6, Rule 2, Interpretations and Policies .03. CHX believes that this requirement has become somewhat obsolete with CHX's move to its new trading model (and the elimination of its physical trading floor), because the requirement had, in effect, been largely focused on the employment status of clerks working on the Exchange's trading floor. Because the Exchange no longer has a physical trading floor, it is no longer as important to learn of the termination of a clerk's employment with a participant firm. Moreover, CHX regularly receives an updated list of a firm's associated persons when it conducts its annual examinations.

⁵ See Proposed Article 6, Rule 2, Interpretations and Policies .01.
