Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.
ACTION: Notice; 60-day notice and request for comments; this is an extension of a currently approved collection, OMB No. 1660-0104.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on this

information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning Severe Repetitive Loss Program (SRL) Appeals process as part of the administration of the SRL program.

SUPPLEMENTARY INFORMATION: To implement the Flood Insurance Act of 1968, 42 U.S.C. 4102a, as amended, FEMA has published an interim rule at 44 CFR 79.7(d) in the **Federal Register** on October 31, 2007 that outlines an appeals process by which any owner of a severe repetitive loss property may appeal the decision of FEMA to increase the chargeable insurance premium rate on property. The legislation that created the SRL program provides that any owner of a severe repetitive loss property who refuses an offer of mitigation may appeal the decision of FEMA to increase the chargeable insurance premium rate on that property. The process requires the owner to submit a written appeal, including any supporting documentation for their appeal to FEMA within 90 days of the notice of the insurance rate increase. This extension

of a currently approved collection of information is necessary to ensure that the property owner is given the opportunity to provide additional documentation that supports one of the six allowable bases for appeal, outlined in the authorizing legislation, and implemented at 44 CFR 79.7(d).
