

deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(I). The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of this notice.

Notification of Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations

and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(3)(A), 777(I), 751, and 777(I) of the Act and 19 CFR 351.213(d)(4).

Dated: February 22, 2008.

EFFECTIVE DATE: March 3, 2008.

SUPPLEMENTARY INFORMATION:

Background

The Department's procedures for the conduct of Sunset Reviews are set forth in its *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13516 (March 20, 1998) and 70 FR 62061 (October 28, 2005). Guidance on methodological or analytical issues relevant to the Department's conduct of Sunset Reviews is set forth in the Department's Policy Bulletin 98.3 - *Policies Regarding the Conduct of Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin*, 63 FR 18871 (April 16, 1998).

Initiation of Reviews

In accordance with 19 CFR 351.218(c), we are initiating the Sunset Review of the following antidumping duty order:

DOC Case No.	ITC Case No.	Country	Product	Department Contact
A-570-875	731-TA-990	PRC	Non-Malleable Cast Iron Pipe Fittings	Juanita Chen (202) 482-1904

Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the pertinent statute and Department's regulations, the Department's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on the Department's sunset Internet Web site at the following address: "http://ia.ita.doc.gov/sunset/." All submissions in these Sunset Reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition

as interested parties to a proceeding contact the Department in writing within 10 days of the publication of the Notice of Initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required from Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these Sunset

Reviews must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review.

See 19 CFR 351.218(d)(1)(iii).

For sunset reviews of countervailing duty orders, parties wishing the Department to consider arguments that countervailable subsidy programs have been terminated must include with their substantive responses information and documentation addressing whether the changes to the program were (1) limited to an individual firm or firms and (2)

effected by an official act of the government. Further, a party claiming program termination is expected to document that there are no residual benefits under the program and that substitute programs have not been introduced. Cf. 19 CFR 351.526(b) and (d). If a party maintains that any of the subsidies countervailed by the Department were not conferred pursuant to a subsidy program, that party should nevertheless address the applicability of the factors set forth in 19 CFR 351.526(b) and (d). Similarly, parties wishing the Department to consider whether a company's change in ownership has extinguished the benefit from prior non-recurring, allocable, subsidies must include with their substantive responses information and documentation supporting their claim that all or almost all of the company's shares or assets were sold in an arm's length transaction, at a price representing fair market value, as described in the *Notice of Final Modification of Agency Practice Under Section 123 of the Uruguay Round Agreements Act*, 68 FR 37125 (June 23, 2003) ("*Modification Notice*"). See *Modification Notice* for a discussion of the types of information and documentation the Department requires.

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that all parties wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: February 22, 2008.
