

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission**

[Docket No. CP08-75-000]

Texas Eastern Transmission, LP; Notice of Request Under Blanket Authorization

February 26, 2008.

Take notice that on February 15, 2008, Texas Eastern Transmission, LP (Texas Eastern), 5400 Westheimer Court, Houston, Texas 77056-5310, filed in Docket No. CP08-75-000, a prior notice request pursuant to sections 157.205 and 157.212 of the Federal Energy Regulatory Commission's regulations under the Natural Gas Act for authorization to construct and operate a new receipt point and to receive natural gas, located in Beauregard Parish, Louisiana, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

Specifically, Texas Eastern proposes to design and construct a new receipt point to receive natural gas from Cheniere Creole Trail Pipeline, L.P. (Cheniere), consisting of dual 14-inch hot taps on Line No. 14, an existing 30-inch side valve on Line No. 18, electronic gas measurement equipment, and a gas chromatograph. Texas Eastern states that Cheniere will be installing the connecting piping, which will be owned and operated by Texas Eastern. Texas Eastern estimates the cost of construction to be \$435,235. Texas Eastern asserts that Cheniere will reimburse Texas Eastern for all costs associated with constructing such facilities. Texas Eastern states that the new receipt point will provide Texas Eastern with the ability to receive up to 500 million cubic feet per day of natural gas from Cheniere into Texas Eastern's pipeline system.

Any questions regarding the application should be directed to Garth Johnson, General Manager, Certificates & Reporting, Texas Eastern Transmission, LP, P.O. Box 1642, Houston, Texas 77251-1642, call (713) 627-5415 or fax (713) 627-5947.

Any person or the Commission's Staff may, within 60 days after the issuance of the instant notice by the Commission,

file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and, pursuant to section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link.

BILLING CODE 6717-01-P**ENVIRONMENTAL PROTECTION AGENCY**

[FRL-8537-7]

Agreement for Recovery of Response Costs and Covenant not to Sue Under the Comprehensive Environmental Response, Compensation, and Liability Act Regarding the Delilah Road Landfill Superfund Site, Egg Harbor Township, Atlantic County, NJ**AGENCY:** Environmental Protection Agency.**ACTION:** Notice of proposed administrative settlement and request for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. 9601 et seq., the U.S. Environmental Protection Agency (EPA) announces a proposed administrative settlement to resolve claims under CERCLA. This settlement is intended to resolve the liability of four responsible parties for certain response costs incurred and to be incurred by EPA at the Delilah Road Landfill Superfund Site located in Egg Harbor Township, Atlantic County, New Jersey (Site). The proposed administrative settlement is contained in a Settlement Agreement for recovery of response costs (Agreement) between

Atlantic City Electric Company, Lenox, Incorporated, Wyeth Holdings Corporation, and Wyeth (Settling Parties) and EPA. By this Notice, EPA is informing the public of the proposed settlement and of the opportunity to comment.

The Site, consisting of approximately 45 acres, was originally used for sand and gravel excavation, but was later converted to a solid waste disposal area. Landfill operations ceased in 1980. The Site was placed on the National Priorities List (NPL) on October 4, 1984, and in 1986, the New Jersey Department of Environmental Protection (NJDEP) began a remedial investigation and feasibility study (RI/FS) to investigate conditions at the Site and evaluate remedial alternatives. On September 28, 1990, NJDEP issued a Record of Decision (ROD) for the Site which included placement of an impermeable layer cap on the landfill and installation of a gas collection and treatment system. Certain private parties, including some of the Settling Parties or their predecessors, entered into an Administrative Consent Order with NJDEP, as the lead agency for the Site, effective on October 12, 1994, to implement the remedy selected in the ROD. NJDEP issued an Explanation of Significant Differences (ESD) effective September 30, 1998, based on the results of additional groundwater sampling, through which the remedy was modified to provide for a soil cap, rather than the synthetic membrane cap originally selected. Construction of the remedy began in late 2001, and was substantially completed by the summer of 2002. As the support agency for the Site, EPA's costs consist primarily of oversight costs.

Section 122(h) of CERCLA authorizes EPA to consider, compromise and settle certain claims. Under the terms of the proposed Agreement, the Settling Parties will pay \$81,410.95 in reimbursement of past and future Site costs incurred by EPA. In exchange, EPA will grant a covenant not to sue or take administrative action against the Settling Parties for reimbursement of past or future EPA Site response costs pursuant to Section 107(a) of CERCLA, subject to reopeners for unknown conditions or new information.

EPA will consider any comments received during the comment period and may withdraw or withhold consent to the proposed settlement if comments disclose facts or considerations that indicate the proposed settlement is inappropriate, improper, or inadequate. EPA's response to any comments received will be available for public inspection at the U.S. Environmental
