SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57385; File No. SR-NSCC-2007-17]

Self-Regulatory Organizations; the National Securities Clearing Corporation; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating to the Fee Schedule

February 27, 2008.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on December 31, 2007, the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by NSCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change modifies NSCC's fee schedule.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to revise fees for certain services provided by NSCC. These revisions include the following fee changes to align fees with costs of delivering services:

1. Implementation of a restructured clearing fee model, changing from the current solely transaction-based pricing structure to a methodology that combines the number of transactions

processed with the value of those transactions;

2. reductions in Automated Customer Account Transfer Services (ACATS) fee;

3. reductions in Fund/SERV and Networking fees;

4. elimination of Insurance and Retirement Processing Services file fees; and

5. introduction of new fees for a new Funds Transfers service to be introduced in 2008 under NSCC's Insurance and Retirement Processing Services product line.

NSCC's fee schedule as it is being modified by this proposed rule change is attached as Exhibit 5 to NSCC's filing.³ Unless otherwise noted in Exhibit 5, the proposed fee changes became effective on January 2, 2008.

The proposed rule change is consistent with the requirements of Section 17A of the Act and the rules and regulations thereunder, because it provides for the equitable allocation of fees among its participants.

(B) Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will have any impact, or impose any burden, on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change changes fees charged by NSCC, it has become effective pursuant to section 19(b)(3)(A)(ii) of the Act⁴ and Rule 19b-4(f)(2)⁵ thereunder. At any time within sixty days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

February 27, 2008.

The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.
