Income taxes, Reporting and recordkeeping requirements.

Proposed Amendments to the Regulations

Accordingly, 26 CFR part 1 is proposed to be amended as follows:

PART 1—INCOME TAXES

Paragraph 1. The authority citation for part 1 continues to read in part as follows:

Authority: 26 U.S.C. 7805. * * *

Par. 2. Section 1.664–1 is amended as follows:

1. In paragraph (a)(1)(i), the last sentence is revised and a sentence is added to the end of the paragraph.

2. Paragraph (c) is revised.

3. In paragraph (d)(2), the fourth sentence is revised.

The revisions and addition read as follows:

§ 1.664–1 Charitable remainder trusts.

(a) * * * (1) * * * (i) * * * A trust created after July 31, 1969, which is a charitable remainder trust, is exempt from all of the taxes imposed by subtitle A of the Code for any taxable year of the trust, except a taxable year beginning before January 1, 2007, in which it has unrelated business taxable income. For taxable years beginning after December 31, 2006, an excise tax, treated as imposed by chapter 42, is imposed on charitable remainder trusts that have unrelated business taxable income. See paragraph (c) of this section.

* * * * *

(c) *Excise Tax on Charitable Remainder Trusts*—(1) *In general.* For each taxable year beginning after December 31, 2006, in which a charitable remainder annuity trust or a charitable remainder unitrust has any unrelated business taxable income, an excise tax is imposed on that trust in an amount equal to the amount of such unrelated business taxable income. For this purpose, unrelated business taxable income is as defined in section 512, determined as if part III, subchapter F, chapter 1 subtitle A of the Internal Revenue Code applied to such trust. Such excise tax is treated as imposed by chapter 42 (other than subchapter E) and is reported and payable in accordance with the appropriate forms and instructions. Such excise tax shall be allocated to corpus and, therefore, is not deductible in determining taxable income distributed to a beneficiary. (See paragraph (d)(2) of this section.) The charitable remainder trust income that is unrelated business taxable income

constitutes income of the trust for purposes of determining the character of the distribution made to the beneficiary. Income of the charitable remainder trust is allocated among the charitable remainder trust income categories in paragraph (d)(1) of this section without regard to whether any part of that income constitutes unrelated business taxable income under section 512.

(2) *Examples.* The application of the rules in this paragraph (c) may be illustrated by the following examples:

Example 1. For 2007, a charitable remainder annuity trust with a taxable year beginning on January 1, 2007, has \$60,000 of ordinary income, including \$10,000 of gross income from a partnership that constitutes unrelated business taxable income to the trust. The trust has no deductions that are directly connected with that income. For that same year, the trust has administration expenses (deductible in computing taxable income) of \$16,000, resulting in net ordinary income of \$44,000. The amount of unrelated business taxable income is computed by taking gross income from an unrelated trade or business and deducting expenses directly connected with carrying on the trade or business, both computed with modifications under section 512(b). Section 512(b)(12) provides a specific deduction of \$1,000 in computing the amount of unrelated business taxable income. Under the facts presented in this example, there are no other modifications under section 512(b). The trust, therefore, has unrelated business taxable income of \$9,000 (\$10,000 minus the \$1,000 deduction under section 512(b)(12)). Undistributed ordinary income from prior years is \$12,000 and undistributed capital gains from prior years are \$50,000. Under the terms of the trust agreement, the trust is required to pay an annuity of \$100,000 for year 2007 to the noncharitable beneficiary. Because the trust has unrelated business taxable income of \$9,000, the excise tax imposed under section 664(c) is equal to the amount of such unrelated business taxable income, \$9,000. The character of the \$100,000 distribution to the noncharitable beneficiary is as follows: \$56,000 of ordinary income (\$44,000 from current year plus \$12,000 from prior years), and \$44,000 of capital gains. The \$9,000 excise tax is allocated to corpus, and does not reduce the amount in any of the categories of income under paragraph (d)(1) of this section. At the beginning of year 2008, the amount of undistributed capital gains is \$6,000, and there is no undistributed ordinary income.

Example 2. During 2007, a charitable remainder annuity trust with a taxable year beginning on January 1, 2007, sells real estate generating gain of \$40,000. Because the trust had obtained a loan to finance part of the purchase price of the asset, some of the income from the sale is treated as debt-financed income under section 514 and thus constitutes unrelated business taxable income under section 512. The unrelated debt-financed income computed under section 514 is \$30,000. Assuming the trust receives no other income in 2007, the trust

will have unrelated business taxable income under section 512 of \$29,000 (\$30,000 minus the \$1,000 deduction under section 512(b)(12)). Except for section 512(b)(12), no other exceptions or modifications under sections 512–514 apply when calculating unrelated business taxable income based on the facts presented in this example. Because the trust has unrelated business taxable income of \$29,000, the excise tax imposed under section 664(c) is equal to the amount of such unrelated business taxable income, \$29,000. The \$29,000 excise tax is allocated to corpus, and does not reduce the amount in any of the categories of income under paragraph (d)(1) of this section. Regardless of how the trust's income might be treated under sections 511–514, the entire \$40,000 is capital gain for purposes of section 664 and is allocated accordingly to and within the second of the categories of income under paragraph (d)(1) of this section.

(3) *Effective/Applicability date.* Paragraph (c) is effective for taxable years beginning after December 31, 2006. The rules that apply with respect to taxable years beginning before January 1, 2007, are contained in 1.664–1(c) in effect prior to the date these regulations are published as final regulations in the **Federal Register**. (See 26 CFR part 1, § 1.664–1(c)(1) revised as of April 2, 2007).

(d) * * *

(2) * * * All taxes imposed by chapter 42 of the Code (including without limitation taxes treated under section 664(c)(2) as imposed by chapter 42) and, for taxable years beginning prior to January 1, 2007, all taxes imposed by subtitle A of the Code for which the trust is liable because it has unrelated business taxable income, shall be allocated to corpus. * * *

[Docket No. USCG–2008–0010]

RIN 1625–AA09

Drawbridge Operation Regulations; Mill Neck Creek, Oyster Bay, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to change the drawbridge operating

regulations governing the operation of the Bayville Bridge, mile 0.1, across Mill Neck creek at Oyster Bay, New York. This proposed rule would allow the bridge to open on signal between 7 a.m. and 11 p.m. from May 1 through October 31 and between 7 a.m. and 5 p.m., Monday through Friday, from November 1 through April 30. At all other times the bridge would open after a two-hour advance notice is given by calling the number posted at the bridge. The purpose of this rule is to help relieve the bridge owner from the burden of crewing the bridge during time periods that the bridge receives few requests to open while continuing to meet the reasonable needs of navigation.

DATES: Comments and related material must reach the Coast Guard on or before April 7, 2008.

ADDRESSES: You may submit comments identified by Coast Guard docket number (USCG-2008-0010) to the Docket Management Facility at the U.S. Department of Transportation. To avoid duplication, please use only one of the following methods:

(1) *Online:* <http://www.regulations.gov>.

(2) *Mail:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building ground floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC. 20590-0001.

(3) *Hand Delivery:* Room W12-140, 1200 New Jersey Avenue SE., Washington, DC., 20590-0001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is (202) 366-9329.

(4) *Fax:* (202) 493-2251.

FOR FURTHER INFORMATION CONTACT: Ms. Judy Leung-Yee, Project Officer, First Coast Guard District, (212) 668-7165.

If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone (202) 366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided. We have an agreement with the Department of Transportation (DOT) to use the Docket Management Facility. Please see DOT's "Privacy Act" paragraph below.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG-2008-0010), indicate the specific section of this document to which each comment applies, and give the reason for each comment. We recommend that you include your name and mailing address, an e-mail address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and materials by electronic means, mail, fax, or delivery to the Docket Management Facility at the address under **ADDRESSES**; but please submit your comments and materials by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov> at any time. Enter the docket number for this rulemaking (USCG-2008-001) in the Search box, and click "Go>>." You may also visit either the Docket Management Facility in Room W12-140, on the ground floor of the DOT West Building 1200 New Jersey Avenue, SE., Washington, DC, 20590-0001, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays; or First Coast Guard District, Bridge Branch, One South Street, New York, NY 10004 between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Privacy Act

Anyone can search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment), if submitted on behalf of an association, business, labor union, etc.). You may review the Department of Transportation's Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477), or you may visit <http://DocketsInfo.dot.gov>.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request

for one to the Docket Management Facility at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

The Bayville Bridge has a vertical clearance of 9 feet at mean high water, and 16 feet at mean low water in the closed position. The existing drawbridge operating regulations listed at 33 CFR 117.5, require the bridge to open on signal at all times.

On March 8, 2007, the bridge owner, the County of Nassau Department of Public Works, requested a change to the drawbridge operation regulations to help provide relief from the burden of providing a draw tender at the bridge during time periods when the bridge seldom receives a request to open.

On April 13, 2007, the Coast Guard authorized a temporary deviation with a request for public comment in order to test the proposed rule change. The temporary test deviation was in effect from May 25, 2007 through November 20, 2007, with a comment period open until November 30, 2007.

The Coast Guard received no comments or complaints from mariners in response to the temporary test deviation.

As a result of all the above information, the Coast Guard is now proposing to permanently change the drawbridge operation regulations for the Bayville Bridge, mile 0.1, across Mill Neck Creek at Oyster Bay, New York.

Under this notice of proposed rulemaking the Bayville Bridge would be required to open on signal between 7 a.m. and 11 p.m., from May 1 through October 31, and between 7 a.m. and 5 p.m., Monday through Friday, from November 1 through April 30. At all other times the draw would open on signal after at least a two-hour advance notice is provided by calling the number posted at the bridge.

Discussion of Proposed Rule

This notice of proposed rulemaking would change the existing drawbridge operation regulations to help relieve the bridge owner from the burden of maintaining a draw tender at the bridge during time periods the bridge seldom receives a request to open.

The Coast Guard believes this proposed change to the drawbridge operation regulations is justified and that the reasonable needs of navigation will continue to be met as a result.

Regulatory Evaluation

This proposed rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

This conclusion is based on the fact that vessel traffic will still be able to transit through the Bayville Bridge at any time provided they give a two-hour advance notice during time periods the bridge is not crewed.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under section 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This conclusion is based on the fact that vessel traffic will still be able to transit through the Bayville Bridge at any time provided they give a two-hour advance notice during time periods the bridge is not crewed.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for

compliance, please contact, Commander (dpb), First Coast Guard District, Bridge Branch, One South Street, New York, NY 10004. The telephone number is (212) 668–7165. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (*e.g.*, specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is not likely to have a significant effect on the human environment because it simply promulgates the operating regulations or procedures for drawbridges. We seek

any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

Words of Issuance and Proposed Regulatory Text

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05–1; Department of Homeland Security Delegation No. 0170.1.

2. Add § 117.800 to read as follows:

§ 117.800 Mill Neck Creek.

The draw of the Bayville Bridge, mile 0.1, at Oyster Bay, New York, shall open on signal between 7 a.m. and 11 p.m., from May 1 through October 31, and between 7 a.m. and 5 p.m., Monday through Friday, from November 1 through April 30. At all other times the draw shall open on signal provided at least a two-hour advance notice is given by calling the number posted at the bridge.

Dated: February 28, 2008.

Security Zone; Anacostia River, Washington, DC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary security zone encompassing certain waters of the Anacostia River in order to safeguard the public and high-ranking public officials attending a papal Mass on April 17, 2008, from terrorist acts and incidents. This action is necessary to ensure the safety of persons and

property, and prevent terrorist acts or incidents. This rule would prohibit vessels and people from entering the security zone and would require vessels and persons in the security zone to depart the security zone, unless specifically exempt under the provisions in this rule or granted specific permission from the Coast Guard Captain of the Port Baltimore.

DATES: Comments and related material must reach the Coast Guard on or before April 7, 2008.

ADDRESSES: You may submit comments identified by Coast Guard docket number USCG–2008–0114 to the Docket Management Facility at the U.S. Department of Transportation. To avoid duplication, please use only one of the following methods:
