

notices changing MIPs in multifamily insured housing programs.

On October 18, 2007 (72 FR 59150), HUD published a notice that proposed changes in MIPs for certain FHA multifamily mortgage insurance programs whose commitments will be issued or reissued in FY2008. HUD provided a 30-day public comment period which closed on November 19, 2007. HUD received approximately 179 comments, which included letters from members of Congress, trade associations and other interested members of the public. All commenters expressed opposition to the proposed changes.

Based on consideration of the concerns raised in public comments, HUD has decided not to proceed with implementation of the proposed MIP increases for FY2008. The MIPs originally published on August 30, 2005 (70 FR 51538) and in effect during FY2006 and FY2007 will be the same rates applied to commitments issued or reissued in FY2008, and are set out in Section II of this notice.

**II. FY2008 Mortgage Insurance Premiums**

The mortgage insurance premiums to be in effect for FHA firm commitments

issued or reissued in FY 2008 are shown in the table below. For all projects with low-income housing tax credits (LIHTC) the sponsor is required under the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101–235 (approved December 15, 1989)) and HUD’s implementing instructions to submit a certification regarding governmental assistance with all multifamily mortgage insurance applications.

#### Notice of Proposed Withdrawal and Opportunity for Public Meeting; New Mexico

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The Department of Homeland Security (DHS) has filed an application requesting the Secretary of the Interior to withdraw 20 acres of public land from the mining laws for a period of 20 years to protect a Border Patrol Forward

Operating Base in Luna County, New Mexico, and to convey jurisdiction of the land to the DHS. This notice temporarily segregates the land for up to 2 years from location and entry under the mining laws while the 20-year withdrawal application is being processed.

**DATES:** Comments and requests for a public meeting must be received by June 9, 2008.

**ADDRESSES:** Comments and meeting requests should be sent to the Bureau of Land Management (BLM) Las Cruces District Manager, Las Cruces District Office, 1800 Marquess Street, Las Cruces, New Mexico 88005.

**FOR FURTHER INFORMATION CONTACT:** Lori Allen, BLM Las Cruces District Office, 575-525-4454 or at the above address.

**SUPPLEMENTARY INFORMATION:** The applicant for the above withdrawal is the DHS. The application asks the Secretary of the Interior to withdraw, for a period of 20 years, the following described public land from location and entry under the United States mining laws, subject to valid existing rights:

#### Deming Forward Operating Base

#### New Mexico Principal Meridian

T. 29 S, R. 12 W.,

Section 3: E $\frac{1}{2}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$ .

The area described aggregates 20 acres in Luna County.

The application is a withdrawal proposal of the Secretary of the DHS (43 CFR 2310.1-2). The purpose of the withdrawal is to provide the agents at the Deming Station facilities that would improve response times, increase shift time, expedite illegal alien processing, and provide increased safety and protection of the agents and detainees. The withdrawal is needed to convey jurisdiction of the land to the DHS and to protect the Federal investment in the facilities.

A right-of-way or cooperative agreement would not adequately constrain nondiscretionary uses and would not provide sufficient protection of the Federal investment in the improvements.

The site proposed for withdrawal is strategically located and provides for the most direct access, via existing ranch roads, to the border in areas of high smuggling and illegal alien activity. The site is adjacent to a major roadway; and electric utilities are nearby. There are no better locations for the forward operating base.

Records relating to the proposed withdrawal can be examined by contacting Lori Allen at the above address or phone number.
