SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57466; File No. SR-OCC-2008-07]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing of a Proposed Rule Change Relating to streetTRACKS Gold Shares

March 11, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on March 7, 2008, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by OCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change would clarify the jurisdictional status of options and security futures on streetTRACKS Gold Shares by adding an interpretation following the definition of "fund share" in Article I, Section 1 of OCC's By-Laws.²

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to clarify the jurisdictional status of options and security futures on streetTRACKS Gold Shares by adding an interpretation following the definition of "fund share" in Article I, Section 1 of OCC's By-Laws. Under the proposed interpretation, OCC would clear and treat as securities options any option contracts on streetTRACKS Gold Shares that are traded on securities exchanges. Similarly, OCC would clear and treat as security futures any futures contracts on streetTRACKS Gold Shares.⁴

In its capacity as a "derivatives clearing organization" registered with the Commodity Futures Trading Commission ("CFTC"), OCC will file this proposed rule change for prior approval by the CFTC pursuant to provisions of the Commodity Exchange Act ("CEA") in order to foreclose any potential liability under the CEA based on an argument that the clearing by OCC of options on streetTRACKS Gold Shares as securities options or the

² The new interpretation would replace the interpretation that was added to OCC's By-Laws in File No. SR-OCC-2008-04, which was effective upon filing. At the request of the Commission, OCC has withdrawn SR-OCC-2008-04 from consideration by the Commission in conjunction with the submission of SR-OCC-2008-07.

³ The Commission has modified parts of these statements.

⁴ The exact language of the interpretation can be found at http://www.optionsclearing.com/publications/rules/proposed_changes/sr_occ_08_07.pdf.

clearing of futures on that product as security futures constitutes a violation of the CEA. This rule change will be filed with the CFTC as an amendment to SR-OCC-2008-04, which is pending approval at the CFTC.

The proposed rule change is consistent with the purposes and requirements of Section 17A of the Act because it is designed to promote the prompt and accurate clearance and settlement of transactions in securities options and security futures, to foster cooperation and coordination with persons engaged in the clearance and settlement of such transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of such transactions, and, in general, to protect investors and the public interest. It accomplishes this purpose by reducing the likelihood of a dispute as to the Commission's jurisdiction or shared jurisdiction in the case of security futures over derivatives based on streetTRACKS Gold Shares. The proposed rule change is not inconsistent with the By-Laws and Rules of OCC, including any proposed to be amended.

(B) Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) As the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change; or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57473; File No. SR-Phlx-2008-13]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete Rule 715 and Rule 716

March 11, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 29, 2008, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Phlx. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx proposes to delete two Exchange rules that relate to a floor brokerage assessment, specifically Rule 715, Monthly Payment and Reporting, and Rule 716, Late Charges. The text of the proposed rule change is available at Phlx, the Commission's Public Reference Room, and <http://www.phlx.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any

comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Recently, the Exchange eliminated the floor brokerage assessment that was set forth on the Exchange's fee schedule in several places, specifically the Summary of Equity Option and RUT and RMN Charges, the Summary of Index Option Charges, the Summary of U.S. Dollar-Settled Foreign Currency Option Charges, and the Summary of Physical Delivery Currency Option Charges.⁵

The purpose of this proposal is to delete certain Exchange rules that are no longer deemed necessary as a result of eliminating the floor brokerage assessment from the Exchange's fee schedule as described above. Specifically, Rule 715, Monthly Payment and Reporting, and Rule 716, Late Charges, will be deleted to update the rules accordingly.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(4) of the Act⁷ and Section 6(b)(5) of the Act⁸ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members, and that it should help to foster cooperation and coordination with persons engaged in the regulating, clearing, settling, processing information with respect to and facilitating transactions in securities by updating the Exchange's rules to clarify that a monthly report of net commissions is no longer required to be submitted to the Exchange and that the corresponding late fee is no longer applicable.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.
