The BOSC's evaluation and recommendations will provide guidance to ORD NHSRC.

It is EPA's policy to follow the provisions of the Federal Advisory Committee Act (FACA) for subcommittees of its chartered advisory committees, and to have meetings that are open to the public. However, to allow for the review and discussion of classified national security information, EPA has determined that a portion of the face-to-face meeting on May 28, 2008 (9 a.m. to 12 p.m.) and May 30, 2008 (8 a.m. to 9 a.m.) should be closed to the public pursuant to section 10(d) of the Federal Advisory Committee Act (FACA), 5 U.S.C. App.2, and section (c)(1) of the Government in the Sunshine Act, 5 U.S.C. 552b(c)(1). During the closed portion of the

meeting, a review of classified national security information by the subcommittee will provide additional context and explanation for the direction and scope of the research program, as well as for the specific research conducted by NHSRC.
