Alternative Housing Pilot Program Evaluation Baseline Survey

AGENCY: Office of the Chief Information Officer, HUD

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

HUD is conducting an evaluation of FEMA's Alternative Housing Pilot Program (AHPP). Due to the immediate need to improve the temporary housing situation for many victims of Hurricanes Katrina and Rita, FEMA is rapidly developing the alternative housing. In order to measure program effectiveness, the evaluation requires that we do a baseline evaluation of households before they receive a housing unit. Because it has taken longer than expected for FEMA's AHPP to be

implemented in some States, new households continue to join the program and so there is a need to continue the administration to the baseline survey beyond March 2007 when the original clearance expires.

DATES: *Comments Due Date:* April 17, 2008.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB approval Number (2528-0248) and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-6974.
