

passenger carriers, Westours (MC-118832), Evergreen (MC-107638), Westmark (MC-405618), and Horizon (MC-144339). Under the proposed transaction, HAL is seeking to acquire control of another motor passenger carrier, DAT, and to continue in control of the above four carriers. Applicants state that the annual aggregate gross operating revenues of the four carriers already controlled by HAL exceed the \$2 million jurisdictional threshold of 49 U.S.C. 14303(g).

HAL states that it has decades of experience in operating tour-based services throughout the Pacific Northwest and has created DAT as a new entity to more effectively provide charter bus service in the southeast Alaska tour market, which has specialized service characteristics.

Under 49 U.S.C. 14303(b), the Board must approve and authorize a transaction we find consistent with the public interest, taking into consideration at least: (1) The effect of the transaction on the adequacy of transportation to the public; (2) the total fixed charges that result; and (3) the interest of affected carrier employees.

Applicants have submitted information, as required by 49 CFR 1182.2(a)(7), to demonstrate that the proposed acquisition of control is consistent with the public interest under 49 U.S.C. 14303(b). Applicants state that the proposed transaction will have no impact on the adequacy of transportation services available to the public, that the operations of the carriers involved will remain unchanged, that there are no fixed charges associated with the proposed transaction, and that no carrier employees will be adversely affected by the transaction. In addition, applicants have submitted all of the other statements and certifications required by 49 CFR 1182.2. Additional information, including a copy of the application, may be obtained from applicants' representative.

On the basis of the application, we find that the proposed acquisition of control is consistent with the public interest and should be authorized. If any opposing comments are timely filed, this finding will be deemed vacated, and unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6(c). If no opposing comments are filed by the expiration of the comment period, this notice will take effect automatically and will be the final Board action.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The proposed finance transaction is approved and authorized, subject to the filing of opposing comments.

2. If timely opposing comments are filed, the findings made in this notice will be deemed as having been vacated.

3. This notice will be effective on May 5, 2008, unless timely opposing comments are filed.

4. A copy of this notice will be served on: (1) The U.S. Department of Transportation, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; (2) the U.S. Department of Justice, Antitrust Division, 950 Pennsylvania Avenue, NW., Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 1200 New Jersey Avenue, SE., Washington, DC 20590.

Decided: March 17, 2008.

By the Board, Chairman Nottingham, Vice Chairman Mulvey, and Commissioner Buttrey.

Anne K. Quinlan,

Acting Secretary.
