Background and Explanation of Provisions

Temporary regulations in this issue of the **Federal Register** amend and revise 26 CFR part 301 relating to section 7701 of the Internal Revenue Code. The temporary regulations add certain business entities to the list of foreign business entities that are always classified as corporations for Federal tax purposes. The preamble to the temporary regulations explains both the temporary regulations and these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has been determined that section 553(b) of the Administrative Procedure Act (5

U.S.C. Chapter 5) does not apply to this regulation. Because the regulation does not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. Chapter 6) does not apply, either. Pursuant to section 7805(f) of the Internal Revenue Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact.

Comments and Request for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written (a signed original and eight (8) copies) or electronic comments that are submitted timely to the Internal Revenue Service (IRS). The IRS and the Treasury Department request comments on the clarity of the proposed rules and how they can be made easier to understand. All comments will be available for public inspection and copying. A public hearing will be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the **Federal Register**.

Proposed Effective Date

The regulations proposed in this document would be applicable for entities existing on or after March 21, 2008.

Drafting Information

The principal author of these proposed regulations is S. James Hawes of the Office of Associate Chief Counsel (International); however, other personnel from the IRS and the Treasury Department participated in their development.
