OFFICE OF PERSONNEL MANAGEMENT

Proposed Collection; Comment Request for Review of a Revised Information Collection: RI 38-31

AGENCY: Office of Personnel
Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management

and Budget (OMB) a request for review of a revised information collection. RI 38-31, Request for Information About Your Missing Payment, is sent in response to a notification by an individual of the loss or non-receipt of a payment from the Civil Service Retirement and Disability Fund. This form requests the information needed to enable OPM to trace and/or reissue payment. Missing payments may also be reported to OPM.

Approximately 8,000 reports of missing payments are processed each year. Of these, we estimate that 7,800 are reports of missing checks. Approximately 200 reports of missing checks are reported using RI 38-31 and 7,600 are reported by telephone. A response time of ten minutes per form reporting a missing check is estimated; the same amount of time is needed to report the missing checks or electronic funds transfer (EFT) payments using the telephone. The annual burden for reporting missing checks is 1,300 hours. The remaining 200 reports relate to EFT payments. No missing EFT payments are reported using RI 38-31. The annual burden for reporting missing EFT payments is 33 hours. The total burden is 1,333 hours.

For copies of this proposal, contact Mary Beth Smith-Toomey on (202) 606-8358, Fax (202) 418-3251 or via e-mail to MaryBeth.Smith-Toomey@opm.gov. Please include a mailing address with your request.

DATES: Comments on this proposal should be received within 30 calendar days from the date of this publication.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-406; OMB Control No. 3235-0463]

Extension; Comment Request; "Tell Us How We're Doing!"

Upon written request, copies available from: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this previously-approved questionnaire to the Office of Management and Budget for approval.

The Commission currently sends the questionnaire to persons who have used the services of the Commission's Office of Investor Education and Advocacy. The questionnaire consists mainly of eight (8) questions concerning the quality of services provided by OIEA. Most of the questions can be answered by checking a box on the questionnaire.

The Commission needs the information to evaluate the quality of services provided by OIEA. Supervisory personnel of OIEA use the information collected in assessing staff performance and for determining what improvements or changes should be made in OIEA operations for services provided to investors.

The respondents to the questionnaire are those investors who request assistance or information from OIEA.

The total reporting burden of the questionnaire in 2004 was approximately 5 hours and 45 minutes. This was calculated by multiplying the total number of investors who responded to the questionnaire times how long it is estimated to take to complete the questionnaire (23 respondents x 15 minutes = 5 hours and 45 minutes).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information
