Type of Request: Revision of a currently approved information collection.

Affected Public: Businesses or individuals.

Abstract: Sections 30118(e) and 30120(e) of Title 49 of the United States Code specify that any interested person may petition NHTSA to hold a hearing to determine whether a manufacturer of motor vehicles or motor vehicle equipment has met its obligation to notify owners, purchasers, and dealers of vehicles or equipment of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the manufacturer’s products and to remedy that defect or noncompliance.

To implement these statutory provisions, NHTSA promulgated 49 CFR Part 557, Petitions for Hearings on Notification and Remedy of Defects. Part 557 establishes procedures providing for the submission and disposition of petitions for hearings on the issues of whether the manufacturer has met its obligation to notify owners, purchasers, and dealers of safety-related defects or noncompliances, or to remedy such defect or noncompliance free of charge.
