SUPPLEMENTARY INFORMATION:**Background**

On December 10, 2007, the
Department of Commerce
("Department") published the
preliminary results of this
administrative review. See *Fresh Garlic
from the People's Republic of China:
Notice of Preliminary Results and
Preliminary Partial Rescission of the
Twelfth Administrative Review*, 72 FR
69652 (December 10, 2007)
("Preliminary Results"). The period of
review for this administrative review is
November 1, 2005, through October 31,
2006. The final results are currently due
on April 8, 2008.

**Extension of Time Limits for Final
Results**

Section 751(a)(3)(A) of the Tariff Act
of 1930, as amended ("Act"), requires
the Department to issue the final results

in an administrative review of an
antidumping duty order 120 days after
the date on which the preliminary
results are published. The Department
may, however, extend the deadline for
completion of the final results of an
administrative review to 180 days if it
determines it is not practicable to
complete the review within the
foregoing time period. See section
751(a)(3)(A) of the Act and 19 CFR
351.213(h)(2).

The Department finds that it is not
practicable to complete the final results
of the administrative review within this
time limit. Specifically, after
coordinating with the interested parties,
the Department is extending the
deadline for the final results to
accommodate parties' public hearing
requests so that parties may address all
issues. Additionally, the Department
requires additional time to complete the
analysis of certain fact-intensive issues,
such as questions regarding the
selection of surrogate values, raised in
the case briefs. For the reasons noted
above, we are extending the time for the
completion of the final results of this
review by 60 days to June 9, 2008.

This notice is published in
accordance with sections 751(a)(1) and
777(i)(1) of the Act.

Dated: March 14, 2008.

Stephen J. Claeys,

*Deputy Assistant Secretary for Import
Administration.*
