

All filings with the Commission must include on the first page, the project name (French Meadows Transmission Line Project) and number (P-2479-010), and bear the heading "Comments on Pre-Application Document," "Study Requests," "Comments on Scoping Document 1," "Request for Cooperating Agency Status," or "Communications to and from Commission Staff." Any individual or entity interested in submitting study requests, commenting on the PAD or SD1, and any agency requesting cooperating status must do so by April 11, 2008.

Comments on the PAD and SD1, study requests, requests for cooperating agency status, and other permissible forms of communications with the Commission may be filed electronically via the Internet in lieu of paper. The Commission strongly encourages electronic filings. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-filing" link.

p. Our intent is to prepare an Environmental Impact Statement for which the below meetings satisfied the NEPA scoping requirements.

Scoping Meetings

Because of the interconnection between the French Meadows Transmission Line Project and PCWA's Middle Fork American Project, the scoping meetings for these projects were held concurrently on March 4, 2008, at the Auburn Recreation District-Canyon View Community Center. Commission staff held two scoping meetings; one daytime meeting focused on resource agency, Indian tribes, and non-governmental organization concerns, and one evening meeting focused primarily on receiving input from the public. We invited all interested individuals, organizations, and agencies to attend one or both of the meetings, and to assist staff in identifying particular study needs, as well as the scope of environmental issues to be addressed in the environmental document. The meetings were recorded by a stenographer and became part of the formal record of the Commission proceeding on the projects. Transcripts from these meetings may be viewed on the Web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph (n).

SD1, which outlines the subject areas to be addressed in the environmental document, was mailed to the individuals and entities on the Commission's mailing list. Copies of SD1 were available at the scoping meetings, and may be viewed on the

Web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph (n). Based on all oral and written comments, a Scoping Document 2 (SD2) may be issued. SD2 may include a revised process plan and schedule, as well as a list of issues, identified through the scoping process.

Site Visit

Typically, a site visit is held together with the scoping meeting. However, because most of the project sites were not be accessible in early March, the licensees (PCWA and PG&E) and Commission staff will visit the project sites on Wednesday, June 25, 2008, starting at 8 a.m. All participants should meet at Auburn Recreation District Canyon View Community Center, located at 471 Maidu Drive, Auburn, California. PCWA and PG&E will provide transportation for participants. Anyone interested in attending the site visit should contact Mr. Forrest Sullivan of PG&E at 916-386-5580 by June 11, 2008. Depending on interest, a second day (Thursday, June 26, 2008) of site visits may be added to the schedule. Should this be the case, a notice will be issued in June stating as such.

Kimberly D. Bose,

Secretary.

AGENCY: Equal Employment Opportunity Commission.

ACTION: Notice; Publication of Notice of Proposed New Systems of Records and Amendment of System of Records.

SUMMARY: This notice proposes two new systems of records, and amends an existing system of records. The changes implement EEOC's personal identification verification (PIV) card system, and establish a system for EEOC emergency management files.

DATES: The changes to the existing systems of records and the proposed new systems of records will become effective, without further notice, on May 30, 2008 unless comments dictate otherwise.

ADDRESSES: Written comments should be submitted to Stephen Llewellyn, Executive Officer, Equal Employment

Opportunity Commission, 1801 L Street, NW., Washington, DC 20507. As a convenience to commentators, the Executive Secretariat will accept comments transmitted by facsimile ("FAX") machine. The telephone number of the FAX receiver is (202) 663-4114. (This is not a toll-free number.) Only comments of six or fewer pages will be accepted via FAX transmittal. This limitation is necessary to assure access to the equipment. Receipt of FAX transmittals will not be acknowledged, except that the sender may request confirmation of receipt by calling the Executive Secretariat staff at (202) 663-4070 (voice) or (202) 663-4074 (TTD). (These are not toll-free telephone numbers.) You may also submit comments and attachments electronically at <http://www.regulations.gov>, which is the Federal eRulemaking Portal. Copies of comments submitted by the public will be available to review at the Commission's library, Room 6502, 1801 L Street, NW., Washington, DC 20507 between the hours of 9:30 a.m. and 5 p.m. or can be reviewed at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT:

Thomas J. Schlageter, Assistant Legal Counsel, or Kathleen Oram, Senior Attorney, at (202) 663-4640 (voice) or (202) 663-7026 (TTY). Copies of this notice are also available in the following alternate formats: large print, braille, audiotape and electronic file on computer disk. Requests for this notice in an alternative format should be made to EEOC's Publication Center at 1-800-669-3362 (voice) or 1-800-800-3302 (TTY).

SUPPLEMENTARY INFORMATION: The Equal Employment Opportunity Commission published all of its systems of records subject to the Privacy Act in a **Federal Register** notice dated July 30, 2002 (67 FR 49338). The Commission amended three of those systems and added two new systems of records in a **Federal Register** notice published on April 26, 2006 (71 FR 24704). The Commission now proposes to amend one existing system of records and add two new systems of records. Specifically, it proposes to amend its system of records covering its employee identification card records (EEOC-13, Employee Identification Cards), and to add a new system of records covering background investigation records and decisions regarding suitability, eligibility and fitness for service of EEOC employees and applicants (EEOC-22, EEOC Personnel Security Files). The changes to EEOC-13 and proposed new EEOC-22 implement the requirements of

Homeland Security Presidential Directive 12 (HSPD 12), including the personal identification verification (PIV) cards.

The Commission also proposes a new system of records to cover emergency management files (EEOC-21, Emergency Management Records). This system will allow EEOC to maintain EEOC employee and contractor emergency notification rosters and files, emergency contact information, and continuity of operations program files. This information would be used by EEOC officials to contact employees, contractors and others in case of an emergency or other event that may require the assistance of those employees or contractors.

The proposed routine uses for the amended systems of records, EEOC-13, and the two proposed new systems of records, EEOC-21 and EEOC-22, meet the compatibility requirement of the Privacy Act, 5 U.S.C. 552a(a)(7). The proposed new routine uses will permit disclosures of records that are compatible with the purposes for which the information is being collected in each system. We anticipate that any disclosure pursuant to these routine uses will not result in any unwarranted adverse effects on personal privacy.

For the Commission.

Naomi C. Earp,
Chair.
