Background

Every five years, pursuant to section 751(c) of the Tariff Act of 1930, as amended, the Department of Commerce ("the Department") and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for May 2008

The following Sunset Review is scheduled for initiation in May 2008 and will appear in that month's Notice of Initiation of Five-Year Sunset Reviews.

Countervailing Duty Proceedings: No Sunset Review of countervailing duty proceedings are scheduled for initiation in May 2008.

The Notice of Initiation of Five-Year ("Sunset") Reviews provides further information regarding what is required of all parties to participate in Sunset Reviews.

Steel Threaded Rod from the People's Republic of China: Initiation of Antidumping Duty Investigation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 1, 2008.

FOR FURTHER INFORMATION CONTACT:

Juanita H. Chen, AD/CVD Operations, China/NME Group, SEC Office, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: 202-482-1904.

INITIATION OF INVESTIGATION:

The Petition

On March 5, 2008, the Department of Commerce ("Department") received a petition concerning imports of steel threaded rod from the People's Republic of China ("PRC"), filed in proper form by Vulcan Threaded Products, Inc. ("Petitioner"). See Petition for the Imposition of Antidumping Duties on Certain Steel Threaded Rod from the People's Republic of China, filed March 5, 2008 ("Petition"). On March 7, and March 14, 2008, the Department issued requests for additional information and clarification of certain areas of the Petition. Based on the Department's requests, Petitioner filed additional information on March 12, 2008 ("Supplement to the Petition"), and on March 18, 2008 ("Second Supplement").

In accordance with section 732(b) of the Tariff Act of 1930, as amended ("Act"), Petitioner alleges that imports of steel threaded rod from the PRC are being, or are likely to be, sold in the United States at less than fair value ("LTFV"), within the meaning of section 731 of the Act, and that the domestic industry is materially injured or threatened with material injury by reason of such imports.

The Department finds that Petitioner may file this Petition on behalf of the domestic industry because Petitioner is an interested party as defined in section 771(9)(C) of the Act, and has demonstrated sufficient industry support with respect to the antidumping duty investigation. See "Determination of Industry Support for the Petition" section, *infra*.
