

forms. These collections are listed below. The current OMB approval for Forms OSC-11, OSC-12, OSC-13, OSC-14 and the OSC Survey expire 9/30/08. We are submitting all four forms and the electronic survey for renewal, based on the upcoming date of expiration. Two of the four forms are being revised, Forms OSC-11 and OSC-12. Form OSC-11 has had major changes made to its electronic version, so that it has a certain amount of "intelligence" now built in. Depending upon your responses, it navigates you to the proper sections; it also has help menus for those who need more information prior to making their selections. The electronic form OSC-12 had minor modifications made to it, in order to allow it to be integrated into the new software used to support form OSC-11.

Current and former Federal employees, employee representatives, other Federal agencies, state and local government employees, and the general public are invited to comment on this information collection for the first time. Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of OSC functions, including whether the information will have practical utility; (b) the accuracy of OSC's estimate of the burden of the proposed collections of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments should be received by May 16, 2008.

[Docket No: FAA-2008-23639]

Deadline for Notification of Intent To Use the Airport Improvement Program (AIP) Sponsor, Cargo, and Nonprimary Entitlement Funds for Fiscal Year 2008

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces June 1, 2008, as the deadline for each airport sponsor to notify the FAA whether or not it will use its fiscal year 2008 entitlement funds available under Public Law 110-190 to accomplish AIP-eligible projects that the sponsor previously identified through the Airports Capital Improvement Plan (ACIP) process during the preceding year. If a sponsor does not declare their intention regarding the use of 2008 entitlement funds by June 1, 2008, FAA will be unable to take the necessary actions to designate these as "protected" carryover funds and these funds would not be carried over if FAA spending authority from the Airport and Airway Trust Fund is not extended beyond June 30, 2008.

FOR FURTHER INFORMATION CONTACT: Mr. Wayne Heibeck, Deputy Director, Office of Airport Planning and Programming, APP-2, on (202) 267-8775.

SUPPLEMENTARY INFORMATION: Section 47105(f) of title 49, United States Code,

provides that the sponsor of each airport to which funds are apportioned shall notify the Secretary by such time and in a form as prescribed by the Secretary, of the sponsor's intent to apply for the funds apportioned to it (entitlements). This notice applies only to those airports that have had entitlement funds apportioned to them, except those nonprimary airports located in designated Block Grant States. Sponsors intending to apply for any of their available entitlement funds, including those unused from prior years, shall submit by June 1, 2008, a written indication to the designated Airports District Office (or Regional Office in regions without Airports District Offices) that they will advertise, bid, and submit an application prior to June 10, 2008, or by the date established by the designated Airport District or Regional Office.

This notice is promulgated to expedite and prioritize the grant-making process. In the past, the FAA has established a deadline of May 1 for an airport sponsor to declare that it will defer use of its entitlement funding. Considering the AIP program has been extended for only 9-months into the middle of a fiscal year, and uncertainty about additional statutory action before the end of the fiscal year, the FAA is establishing June 1 as the deadline for each airport sponsor to notify the FAA whether or not it will use its fiscal year 2008 entitlement funds.

Public Law 110-190, enacted on February 28, 2008, amended section 48103 of title 49, United States Code, to extend the Airport Improvement Program (AIP) for the 9-month period beginning October 1, 2007 and ending on June 30, 2008. This law enables the FAA to use a portion of the AIP obligation authority made available under Public Law 110-161 ("Consolidated Appropriations Act, 2008"). Although the AIP grant authority available for FY2008 does not expire on June 30, 2008, the FAA's expenditure authority from the Airport and Airway Trust Fund will expire on June 30 in the absence of an additional statutory extension. Therefore, to avoid the risk of not being able to carryover funds should an additional extension not be enacted, AIP funds should be obligated in FAA's accounting records on or before June 20. Obligations must be made on or before June 20, rather than June 30 because the FAA's accounting systems will be taken offline to perform the end of the month closeout shortly after this date.

Sponsors have three options available to them regarding AIP grants during this 9-month period. First, sponsors may
