J. Robert Kramer II,

Director of Operations, Antitrust Division.

United States District Court For the District of Columbia

United States of America, Plaintiff, v. Vulcan Materials Company and Florida Rock Industries, Inc., Defendants.

Case No.: 1:07-CV-02044.

Judge: Sullivan, Emmet G.

Deck Type: Antitrust.

Date Stamp:

Plaintiff United States' Response To Public Comments

Pursuant to the requirements of the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)–(h) (“APPA” or “Tunney Act”), the United States hereby responds to the one public comment received regarding the proposed Final Judgment in this case. After careful consideration of the comment, the United States continues to believe that the proposed Final Judgment will provide an effective and appropriate remedy for the antitrust violations alleged in the Complaint. The United States will move the Court for

entry of the proposed Final Judgment after the public comment and this Response have been published in the **Federal Register**, pursuant to 15 U.S.C. 16(d).

On November 13, 2007, the United States filed the Complaint in this matter alleging that the proposed acquisition of Florida Rock Industries, Inc. (“Florida Rock”) by Vulcan Materials Company (“Vulcan”) would violate Section 7 of the Clayton Act, 15 U.S.C. 18. Simultaneously with the filing of the Complaint, the United States filed a proposed Final Judgment and a Hold Separate Stipulation and Order (“HSSO”) signed by plaintiff and the defendants, consenting to the entry of the proposed Final Judgment after compliance with the requirements of the Tunney Act, 15 U.S.C. 16. Pursuant to those requirements, the United States filed its Competitive Impact Statement (“CIS”) in this Court, also on November 13, 2007; published the proposed Final Judgment and CIS in the **Federal Register** on December 4, 2007, *see United States v. Vulcan Materials Company and Florida Rock Industries, Inc.*, 72 FR 68189; and published summaries of the terms of the proposed Final Judgment and CIS, together with directions for the submission of written comments relating to the proposed Final Judgment, in *The Washington Post* for seven days beginning on December 16, 2007 and ending on December 22, 2007. The 60-day period for public comments ended on February 20, 2008, and one comment was received as described below and attached hereto.

I. The Investigation and Proposed Resolution

On February 19, 2007, Vulcan and Florida Rock entered into an agreement for Vulcan to acquire Florida Rock in a cash-and-stock transaction. For the next nine months, the United States Department of Justice (“Department”) conducted an extensive, detailed investigation into the competitive effects of the Vulcan/Florida Rock transaction. As part of this investigation, the Department obtained substantial documents and information from the merging parties and issued six Civil Investigative Demands to third parties. The Department received and considered more than 130 boxes of hard copy material and over 280,000 electronic files. More than 130 interviews were conducted with customers, competitors, and other individuals with knowledge of the industry. The investigative staff carefully analyzed the information provided and thoroughly considered all of the issues presented. The Department
