Notice Pursuant to the National Cooperative Research and Production Act of 1993—Vehicle Infrastructure Integration Consortium

Notice is hereby given that, on March 11, 2008, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 et seq. ("the Act"), the Vehicle Infrastructure Integration Consortium ("VIIC") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Mercedes-Benz Research & Technology North America, Inc., Palo Alto, CA has become a member and Chrysler, LLC, Auburn Hills, MI has succeeded DaimlerChrysler Corporation as a member.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and VIIC intends to file additional written notification disclosing all changes in membership.

On May 1, 2006, VIIC filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on June 2, 2006 (71 FR 32128).

The last notification was filed with the Department on August 22, 2006. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on September 27, 2006 (71 FR 56558).

Notice Pursuant to the National Cooperative Research and Production Act of 1993—System of Systems Security (SOSSEC) Consortium

Notice is hereby given that, on February 25, 2008, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 et seq. ("the Act"), System of Systems Security (SOSSEC) Consortium has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties are: DDN, Incorporated, Danville, NH; MATRX, Morgantown, WV; CACI, Eatontown, NJ; MountainTop Technologies Inc., Johnstown, PA; Abacus Technology Corp., Chevy Chase, MD; Rutgers University, The Center for Information Management, Newark, NJ; (Individual) L. Robert Kimball, Ebensburg, PA; FirTH, Alexandria, VA; and Concurrent Technology Corp., Largo, FL.

The general area of SOSSEC Consortium's planned activity is improving by an order of magnitude the nation's ability to detect, intervene, respond and recover to and from any and all threats on the homeland by integrating multiple existing and emerging Homeland Defense, Homeland Security and Force Protection projects and systems to markedly improve regional security, rapidly and efficiently; implementing practical strategies for core research, technology transition, system engineering and expansion and replication of regional capabilities to accelerate achievement of large scale interoperable security capabilities; also, growing SOSSEC to represent a community of interest, both public and private to foster best of breed concepts, technologies, techniques and procedures for long term national Homeland Defense, Homeland Security and Force Protection development.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Air-Conditioning, Heating and Refrigeration Institute, Inc.

Notice is hereby given that, on March 10, 2008, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 et seq. ("the Act"), the Air-Conditioning, Heating and Refrigeration Institute, Inc. ("AHRI") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: Air-Conditioning, Heating and Refrigeration Institute, Inc., Arlington, VA. The nature and scope of AHRI's standards development activities are to develop, promulgate and publish voluntary consensus standards for air-conditioning and refrigeration products. AHRI standards establish rating criteria and procedures for measuring and certifying product performance. AHRI's standards ensure the rating of air-conditioning and refrigeration products on a uniform basis, so that buyers and users can properly compare products for specific applications. AHRI's voluntary consensus standards are developed by AHRI members and other interested parties who wish to participate in AHRI's standards development process.
