AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public workshops; correction.

SUMMARY: Due to unanticipated construction activity at the North Tampa Branch Library, NMFS is changing the location of its April 24, 2008, Atlantic Shark Identification Workshop that published in the **Federal Register** on March 4, 2008. The May and June workshop locations remain unchanged. Shark dealers are required to attend a workshop to meet new regulatory requirements and maintain valid permits. The Atlantic Shark Identification Workshops are mandatory for all federally permitted Atlantic shark dealers. Additional free workshops will be held in 2008 and announced in the **Federal Register**.

DATES: The dates and times for the Atlantic Shark Identification Workshops have not been changed and will be held April 24, May 22, and June 19, 2008.

See **SUPPLEMENTARY INFORMATION** for further details.

ADDRESSES: The Atlantic Shark Identification Workshops will be held in Tampa, FL; Wilmington, NC; and Jefferson, LA. See **SUPPLEMENTARY INFORMATION** for the corrected Tampa, FL, workshop location.

FOR FURTHER INFORMATION CONTACT: Greg Fairclough by phone:(727) 824-5399, or by fax: (727) 824-5398.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of March 4, 2008, in FR Doc. E8-4126, on page 11622, in the first column, correct the location of the first workshop listed under the heading "Workshop Dates, Times, and Locations" to read:

Workshop Dates, Times, and Locations

1. April 24, 2008, from 10:30 a.m. - 3:30 p.m. Town 'N Country Regional Public Library, Thompson Center Waters Complex, 5455 West Waters Avenue - Suite 208, Tampa, FL 33634.

Atlantic Shark Identification Workshop

Effective December 31, 2007, an Atlantic shark dealer may not receive, purchase, trade, or barter for Atlantic shark unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business listed under the shark dealer permit (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop will be issued a certificate for each place of business that is permitted to receive sharks.

Dealers may send a proxy to an Atlantic Shark Identification Workshop, however, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit. Only one certificate will be issued to each proxy. A proxy must be a person who: is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and fills out dealer reports. Additionally, after December 31, 2007, an Atlantic shark dealer may not renew a Federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate for each business location has been submitted with the permit renewal application. Sixteen free Atlantic Shark Identification Workshops were held in 2007.

The workshop schedules, registration information, and a list of frequently asked questions regarding these workshops are posted on the internet at: <http://www.nmfs.noaa.gov/sfa/hms/workshops>.

Registration

To register for a scheduled Atlantic Shark Identification Workshop, please contact Eric Sander by email at esander@peoplepc.com or by phone at (386) 852-8588.

Registration Materials

To ensure that workshop certificates are linked to the correct permits,

participants will need to bring the following items to the workshop:

Atlantic shark dealer permit holders must bring proof that the individual is an agent of the business (such as articles of incorporation), a copy of the applicable permit, and proof of identification.

Atlantic shark dealer proxies must bring documentation from the shark dealer acknowledging that the proxy is attending the workshop on behalf of the Atlantic shark dealer, a copy of the appropriate permit, and proof of identification.

Workshop Objectives

The shark identification workshops are designed to reduce the number of unknown and improperly identified sharks reported in the dealer reporting form and increase the accuracy of species-specific dealer-reported information. Reducing the number of unknown and improperly identified sharks will improve quota monitoring and the data used in stock assessments. These workshops will train shark dealer permit holders or their proxies to properly identify Atlantic shark carcasses.

Submission for OMB Review; Prohibition on Acquisition of Products Produced by Forced or Indentured Child Labor

ACTION: Notice of request for comments regarding an extension to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement regarding prohibition on acquisition of products produced by forced or indentured child labor. A request for public comments was published in the **Federal Register** at 72 FR 67920 on December 3, 2007. No comments were received.

DATES: Submit comments on or before: May 7, 2008.

ADDRESSES: Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the Regulatory Secretariat (VPR), General Services Administration, Room 4035, 1800 F Street, NW., Washington, DC 20405. FOR FURTHER INFORMATION CONTACT Mr. Ernest Woodson, Contract Policy Division, GSA (202) 501-3775.

SUPPLEMENTARY INFORMATION:

A. Purpose

This information collection complies with Executive Order 13126, Prohibition on Acquisition of Products Produced by Forced or Indentured Child Labor, signed by the President on June 12, 1999. Executive Order 13126 requires that this prohibition be enforced within the federal acquisition system by means of: (1) A provision that requires the contractor to certify to the contracting

officer that the contractor or, in the case of an incorporated contractor, a responsible official of the contractor has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract and that, on the basis of those efforts, the contractor is unaware of any such use of child labor; and (2) A provision that obligates the contractor to cooperate fully in providing reasonable access to the contractor's records, documents, persons, or premises if reasonably requested by authorized officials of the contracting agency, the Department of the Treasury, or the Department of Justice, for the purpose of determining whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract.

The information collection requirements of the Executive Order are evidenced via the certification requirements delineated at FAR 22.1505, 52.212-3, 52.222-18, and 52.222-19.

To eliminate some of the administrative burden on offerors who must submit the same information to various contracting offices, the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) decided to amend the Federal Acquisition Regulation (FAR) to require offerors to submit representations and certifications electronically via the Business Partner Network (BPN), unless certain exceptions apply. Online Representations and Certifications Application (ORCA) is the specific application on the BPN to replace the paper based Representations and Certifications (Reps and Certs) process. The change to the FAR is being accomplished by FAR Case 2002-024. The clearance associated with this case referenced this OMB Control No. 9000-0155 and reduced the hours of burden by 35%—attributable to mandated use of ORCA. This reduction is already reflected in the figures below.

B. Annual Reporting Burden

Respondents: 500.

Responses Per Respondent: 1.

Hours Per Response: 0.325.

Total Burden Hours: 162.
