The Complainants have requested fast track processing of their complaint.

The Complainants also disagree with the Critical Energy Infrastructure Information (CEII) designation of the complaint and accompanying testimony which includes information designated by the Respondent as CEII and request that the Commission remove the CEII designation and release the unredacted copy of the complaint to make it publicly available.

The Complainants state that a copy of the complaint has been served on the Respondent and on all persons on the Commission's official service list under Docket No. ER07-921-000.
