OMB No.: 0970-0017.

Description: Section 7310 of the Deficit Reduction Act of 2005, titled, Mandatory Fee for Successful Child Support Collection for a Family That Has Never Received TANF, amends Section 454(6) of the Social Security Act (the Act) such that a State child support plan must provide for the imposition of an annual fee of \$25 in each case in which an individual has never received assistance under a State program funded under title IV-A of the Act and for whom the State has collected at least \$500 of support. States will need to submit the new State plan preprint page, i.e., page 2.5-4, as well as a transmittal for the preprint page, in order to have an approved State plan.
