

against Coos County for violating the Clean Water Act by discharging pollutants in violation of a permit or without a permit into waters of the United States. The proposed Consent Decree resolves the allegations against Coos County by requiring Coos County to restore the impacted areas, to pay a civil penalty, and to perform supplemental environmental projects.

The Department of Justice will accept written comments relating to this proposed Consent Decree for thirty (30) days from the date of publication of this Notice. Please address comments to Kent E. Hanson, Environmental Defense Section, P.O. Box 23986, Washington, DC 20026-3986, and refer to *United States v. Coos County, Oregon*, DJ #90-5-1-1-17191.

The proposed Consent Decree may be examined at the Clerk's Office, United States District Court for the District of Oregon, Wayne L. Morse US Courthouse, 405 East Eighth Avenue, Room 2100, Eugene, OR 97401. #### Agency Information Collection Activities: Proposed Collection; Comments Requested

**ACTION:** 60-Day Notice of Information Collection Under Review: A National Repository for the Collection and Inventory of Information Related to Arson and the Criminal Misuse of Explosives.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until June 9, 2008. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Jose Vazquez, Chief, U.S. Bomb Data Center, 99 New York Avenue, NE., Washington, DC 20226.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* A National Repository for the Collection and Inventory of Information Related to Arson and the Criminal Misuse of Explosives.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: None. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* State, Local or Tribal Government. *Other:* Federal Government. All Federal agencies are required to report information relating to arson and the criminal misuse of explosives in a national repository database maintained by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)—United States Bomb Data Center (USBDC). State, Local and Tribal law enforcement agencies report this information on a voluntary basis.

The ATF USBDC maintains all National Repository databases within the Department of Justice.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 2,000 respondents will report the information within approximately 10 minutes.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 333 annual total burden hours associated with this collection.

If additional information is required contact: Lynn Bryant, Department Clearance Officer, Policy and Planning Staff, Justice Management Division, Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: April 4, 2008.

## DEPARTMENT OF LABOR

### Bureau of International Labor Affairs; Proposed Collection: Comment Request

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the International Labor Affairs Bureau is soliciting comments concerning the proposed collection regarding the international child labor technical assistance program of the Office of Child Labor, Forced Labor, and Human Trafficking (OCFT). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

**DATES:** Written comments must be submitted to the office listed in the
