

(43 CFR part 2), and under regulations at 30 CFR 250.197, "Data and information to be made available to the public or for limited inspection." Responses are voluntary. No questions of a "sensitive" nature are asked. We intend to release data collected on these 31 forms only in a summary format that is not company-specific.

Frequency: Monthly, quarterly, and annually.

Estimated Number and Description of Respondents: Approximately 1,801 producers and consumers of nonferrous and related metals. Respondents are canvassed for one frequency period (e.g., monthly respondents are not canvassed annually).

Estimated Number of Responses: 5,339.

Annual Burden Hours: 3,973.

Estimated Annual Reporting and Recordkeeping "Hour" Burden: The currently approved "hour" burden for these 31 forms is 4,062 hours. We estimate the public reporting burden averages 20 minutes to 2 hours per response. This includes the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the information.

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: We have not identified any "non-hour cost" burdens associated with this collection of information.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

Comments: Before submitting an ICR to OMB, PRA section 3506(c)(2)(A) (44 U.S.C. 3501, *et seq.*) requires each agency "* * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *." Agencies must specifically solicit comments to: (a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

To comply with the public consultation process, we publish this

Federal Register notice announcing that we will submit this ICR to OMB for approval. The notice provides the required 60-day public comment period.
