BILLING CODE 4410-09-P

**DEPARTMENT OF LABOR**

**Employment Standards Administration**

**Proposed Extension of the Approval of Information Collection Requirements**

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired

format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning its proposal to extend OMB approval of the following information collection: FECA Medical Report Forms (CA-16, CA-17, CA-20, CA-1087, CA-1090, CA-1303, CA-1305, CA-1331, CA-1332, QCM Letters, OWCP-5a, OWCP-5b, and OWCP-5c) and Claim for Compensation (CA-7). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

**DATES:** Written comments must be submitted to the office listed in the addresses section below on or before June 16, 2008.

**ADDRESSES:** Mr. Steven Andoseh, U.S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0373, fax (202) 693-1451, E-mail *andoseh.steven@dol.gov*. Please use only one method of transmission for comments (mail, fax, or E-mail).

**SUPPLEMENTARY INFORMATION:**

I. *Background:* The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA), (5 U.S.C. 8101, *et seq.*), which provides for the payment of benefits for wage loss and/or permanent impairment arising from work related injury or disease to a scheduled member. The act outlines the elements of pay to be included in an individual's pay rate, and sets forth various other criteria for determining eligibility and amount of benefits, including augmentation of basic compensation for individuals with dependents. The act also requires reports of any earnings during a period for which compensation is claimed, prohibits concurrent receipt of FECA benefits and benefits from the Office of Personnel Management (OPM) and certain Veterans Administration (VA) benefits, and mandates that money collected from a liable third party found responsible for the injury for which compensation has been paid be applied to benefits paid or payable. Medical evidence is required to show that the claimant's disability is causally related

to the claimant's federal employment. As each claim ages, there is a continuing need for updated information to support continuing benefits. The FECA Medical Report Forms collect medical information from physicians that are necessary to determine entitlement to benefits under the act. The CA-7, Claim for Compensation requests information from the injured worker regarding pay rate, dependents, earnings, dual benefits, and third party information. This information collection is currently approved for use through October 31, 2008.

II. *Review Focus:* The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The Department of Labor seeks the approval for the extension of this currently approved information collection in order to carry out its statutory responsibility to compensate injured employees under the provisions of the Act.
