The lands are not needed for Federal purposes. Lease and/or conveyance is consistent with current Bureau land-use planning and would be in the public interest. The patent, if issued, will be subject to the following reservations, terms, and conditions:

(1) Provisions of the Recreation and Public Purposes Act and all applicable regulations of the Secretary of the Interior.

(2) Provided that title shall revert to the United States upon a finding, after notice and opportunity for a hearing, that, without the approval of the Secretary of the Interior or his delegate, the patentee or its approved successor attempts to transfer title to or control over the lands to another, the lands have been devoted to a use other than that for which the lands were conveyed, or the lands have not been used for the purpose for which the lands were conveyed for a 5-year period, or the patentee has failed to follow the approved development plan or management plan.

(3) Provided further that the Secretary of the Interior may take action to revest title in the United States if the patentee directly or indirectly permits its agents, employees, contractors, or subcontractors (including without limitation lessees, sub-lessees, and permittees) to prohibit or restrict, directly or indirectly, the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, sex, national origin, or handicap.

(4) If, at any time, the patentee transfers to another party ownership of any portion of the land not used for the purpose(s) specified in the application and approved plan of development, the patentee shall pay the Bureau of Land Management the fair market value, as determined by the authorized officer, of the transferred portion as of the date of transfer, including the value of any improvements thereon.

(5) A right-of-way thereon for ditches and canals constructed by authority of the United States, pursuant to the Act of August 30, 1890 (43 U.S.C. 945).

(6) A reservation of all mineral deposits in the land so patented, and the right of the United States, or persons authorized by the United States, to prospect for, mine, and remove such deposits from the same under applicable laws and regulations as the Secretary of the Interior may prescribe.

(7) Any other valid and existing rights and encumbrances of record.
