Rural Housing Service

Title: 7 CFR part 3565, "Guaranteed Rural Rental Housing Program" and its Supporting Handbook.

OMB Control Number: 0575-0174.

Summary of Collection: On March 26, 1996, the Housing Opportunity Program Extension Act of 1996 was signed. One of the provisions of the Act was the authorization of the section 538 Guaranteed Rural Rental Housing Program (GRRHP), adding the program to the Housing Act of 1949. The purpose of the GRRHP is to increase the supply of affordable rural rental housing through the use of loan guarantees that encourage partnerships between the Rural Housing Service (RHS), private lenders and public agencies. RHS will approve qualified lenders to participate and monitor lender performance to ensure program requirements are met. RHS will collect information from lenders on the eligibility cost, benefits, feasibility, and financial performance of the proposed project.

Need and Use of the Information: RHS will collect information from lenders to manage, plan, evaluate, and account for Government resources and from time to time, propose demonstration programs that use loan guarantees or interest credit. The GRRHP regulation and handbook will provide lenders and agency staff with guidance on the origination and servicing of GRRHP loans and the approval of qualified lenders. RHS will use the information to evaluate a lender's request and make determination that the interests of the government are protected. Failure to collect information could have an adverse impact on the agency ability to monitor lenders and assess program effectiveness and effectively guarantee loans.
