Floor-Standing, Metal-Top Ironing Tables and Parts Thereof from the People's Republic of China: Extension of the Time Limit for the Preliminary Results of the 2006/2007 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 21, 2008.

FOR FURTHER INFORMATION CONTACT: Bobby Wong or Toni Dach, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone: (202) 482-0409 or (202) 482-1655, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2004, the Department of Commerce ("Department") published in the **Federal Register** an antidumping duty order on floor standing, metal-top ironing tables and parts thereof from the People's Republic of China ("PRC"). See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof From the People's Republic of China*, 69 FR 47868 (August 6, 2004). The Department received timely requests from Since Hardware

(Guangzhou) Co., Ltd. ("Since Hardware") and Forever Holdings Limited ("Forever Holdings"), in accordance with 19 CFR 351.213(b)(2), for an administrative review of the antidumping duty order on ironing tables and parts thereof from the PRC, which has an August annual anniversary month. Home Products International Inc., the petitioner, also requested, in accordance with 19 CFR 351.213(b)(1), an administrative review of the antidumping duty order on ironing tables and parts thereof from the PRC for Since Hardware. On September 25, 2007, the Department initiated an administrative review with respect to Since Hardware and Forever Holdings. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 54428 (September 25, 2007).

The deadline for completion of the preliminary results in the administrative review for Since Hardware and Forever Holdings is currently May 2, 2008.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(1) of the Department's regulations require the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and the final results of the review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

Pursuant to section 751(a)(3)(A) of the Act and section 351.213(h) of the Department's regulations, we determine that it is not practicable to complete this administrative review within the statutory time limit of 245 days. The Department requires additional time to analyze questionnaire responses, and issue supplemental questionnaires. In particular, there are complex factors of production methodology issues that the Department requires additional time to analyze. Therefore, in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of these preliminary

results by 120 days. Since the new deadline would have fallen on Saturday, August 30, 2008, and Monday, September 1, 2008, is a federal holiday, the deadline is Tuesday, September 2, 2008. The final results, in turn, will be due 120 days after the date of issuance of the preliminary results, unless extended.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: April 14, 2008.

Deputy Assistant Secretary for Import Administration.

Persulfates from the People's Republic of China: Continuation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("Department") and the International Trade Commission ("ITC") that revocation of the existing antidumping duty order on persulfates from the People's Republic of China ("PRC") would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing this notice of continuation of the antidumping duty ("AD") order.

EFFECTIVE DATE: April 21, 2008.

FOR FURTHER INFORMATION CONTACT: Charles Riggle or Lilit Astvatsatryan, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: 202-482-0650 or 202-482-6412, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2007, the Department published the notice of initiation of the sunset review of the antidumping duty order on persulfates from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-year ("Sunset") Reviews*, 72 FR 61861 (November 1, 2007) ("Initiation Notice"); see also, *Amended Antidumping Duty Order:*

Persulfates From the People's Republic of China, 62 FR 39212 (July 22, 1997) ("Order"). As a result of its review, the Department found that revocation of the AD order would likely lead to continuation or recurrence of dumping and notified the ITC of the margins likely to prevail were the order revoked. See *Persulfates from the People's Republic of China: Notice of Final Results of Expedited Sunset Review of Antidumping Duty Order*, 73 FR 11868 (March 5, 2008) ("Persulfates Final"). On March 31, 2008, the ITC determined, pursuant to section 751(c) of the Act, that revocation of the AD order on persulfates from the PRC would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See USITC Publication 3988 Inv. No. 731-TA-749 (Review) (March 2007).

Scope of the Order

The products covered by this order are persulfates, including ammonium, potassium, and sodium persulfates. The chemical formula for these persulfates are, respectively, (NH₄)₂S₂O₈, K₂S₂O₈, and Na₂S₂O₈. Potassium persulfates are currently classifiable under subheading 2833.40.10 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Sodium persulfates are classifiable under HTSUS subheading 2833.40.20. Ammonium and other persulfates are classifiable under HTSUS subheadings 2833.40.50 and 2833.40.60. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Continuation of Order

As a result of the determinations by the Department and the ITC that revocation of the AD order on persulfates from the PRC would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the AD order on persulfates from the PRC. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. This review covers imports from all manufacturers and exporters of persulfates from the PRC.

The effective date of continuation of this AD order will be the date of publication in the **Federal Register** of this Continuation Notice. Pursuant to section 751(c)(2) of the Act, the

Department intends to initiate the next five-year review of this order not later than March 2013.

This five-year or "sunset" review and notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: April 11, 2008.

David M. Spooner,

Assistant Secretary for Import Administration.
