

decision to designate a class of employees at the Mound Plant, near Dayton, Ohio, as an addition to the Special Exposure Cohort (SEC) under the Energy Employees Occupational Illness Compensation Program Act of 2000. On March 3, 2008, as provided for under 42 U.S.C. 7384q(b), the Secretary of HHS designated the following class of employees as an addition to the SEC:

Employees of the Department of Energy (DOE), its predecessor agencies, and DOE contractors or subcontractors who worked in any areas at the Mound Plant site from October 1, 1949, through February 28, 1959, for a number of work days aggregating at least 250 work days or in combination with work days within the parameters established for one or more other classes of employees in the Special Exposure Cohort.

This designation became effective on April 2, 2008, as provided for under 42 U.S.C. 7384l(14)(C). Hence, beginning on April 2, 2008, members of this class of employees, defined as reported in this notice, became members of the Special Exposure Cohort.
