

in the HUD-VASH program, section 8(r)(1)(B)(i) of the USHA of 1937, 42 U.S.C. 1437f(r)(1)(B)(i), which restricts portability in cases where the family did not reside in the jurisdiction of the PHA at the time of application for HCV assistance, and 24 CFR 982.353(a), (b), and (c), which affects where a family can lease a unit with HCV assistance, do not apply.

(1) Portability Moves Where Case Management Is Provided by the Initial PHA's Partnering VAMC

If the family initially leases up, or moves, under portability provisions, but the initial PHA's partnering VAMC will still be able to provide the necessary case management services due to its proximity to the partnering VAMC, the receiving PHA must process the move in accordance with the portability procedures of 24 CFR 982.355.

However, since the initial PHA must maintain records on all HUD-VASH families receiving case management services from its partnering VAMC, receiving PHAs must bill the initial PHA. Therefore, 24 CFR 982.355(d), which gives the receiving PHA the option to absorb the family into its own HCV program or bill the initial PHA, is not applicable.

When the receiving PHA completes the HUD-50058 under the scenarios above, the action type that must be recorded on line 2a is "1" for a new admission (a family that is new to the HCV program) or "4" for a portability move-in (a family that was previously leased up in the jurisdiction of the initial PHA). Whether the family is a new admission or portability move-in, in section 12 of the HUD-50058, line 12d is marked "Y," 12e must be 0 since the family must be absorbed, and 12f must be left blank.

g. Case Management Requirements

The VAMC responsibilities include: (1) The screening of homeless veterans to determine whether they meet the HUD-VASH program participation criteria established by the VA national office; (2) providing appropriate treatment and supportive services to potential HUD-VASH program participants, if needed, prior to PHA issuance of rental vouchers; (3) providing housing search assistance to HUD-VASH participants with rental vouchers; (4) identifying the social service and medical needs of HUD-VASH participants and providing, or ensuring the provision of, regular ongoing case management, outpatient health services, hospitalization, and other supportive services as needed throughout this initiative; and (5)

maintaining records and providing information for evaluation purposes, as required by HUD and the VA.

As a condition of HCV rental assistance, a HUD-VASH eligible family must receive the case management services noted above from the VAMC. Therefore, a HUD-VASH participant family's HCV assistance must be terminated for failure to participate, without good cause, in case management as verified by the VAMC. However, a VAMC determination that the participant family no longer requires case management is not grounds for termination of assistance. In such case, and at its option, the PHA may offer the family continued HCV assistance through one of its regular vouchers, to free up the HUD-VASH voucher for another eligible family referred by the VAMC.

h. Turnover of HUD-VASH Vouchers

In accordance with the 2008 Appropriation Act, upon turnover, HUD-VASH vouchers must be issued to eligible families as identified by the VAMC, as noted above.

i. Moving-To-Work (MTW) Agencies

HUD-VASH vouchers must be administered in accordance with this Notice and are not eligible for fungibility under their MTW agreements. HUD-VASH vouchers must be reported on separately from vouchers under the agency's MTW Agreement.

j. Project-Based Assistance

Although HUD-VASH vouchers are tenant-based rental assistance, the Department will consider, on a case-by-case basis, requests from the PHA (with the support of the VAMC) to project-base these vouchers in accordance with 24 CFR part 983.

k. Section Eight Management Assessment Program (SEMAP)

Since leasing of HUD-VASH vouchers will be dependent on referrals from the VAMC, the unit months and budget authority associated with these vouchers will not be included in the SEMAP leasing indicator denominator. Therefore, 24 CFR 985.3(n)(1)(i) and (ii) are waived. However, utilization of these vouchers will be monitored separately through HUD systems.

III. Reporting Requirements

A new code (VASH) has been established for use on line 2n of the Family Report (form HUD-50058), which provides for an indication if the family participates in "other special programs." The information collection requested on HUD-50058 has been

approved by the Office of Management and Budget (OMB) and given OMB control number 2577-0083. No person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act (PRA), unless that collection displays a currently valid OMB control number. This code must remain on the HUD-50058 for the duration of the HUD-VASH family's participation in the program. The PHA that administers the HUD-VASH voucher on behalf of the family (initial or receiving PHA under portability) must enter and maintain this code on the HUD-50058.

For any additional systems reporting requirements that may be established, HUD will provide further guidance.

Dated: May 1, 2008.

Roy A. Bernardi,

Deputy Secretary.

Churches are a common applicant under the public purposes provision of the R&PP Act. The St. Matthews Baptist Church and the Solid Rock Christian Church are Internal Revenue Service registered non-profit organizations and are qualified applicants under the R&PP Act.

The land is not needed for any Federal purpose. The lease/conveyance of both cases is consistent with the Las Vegas Resource Management Plan, dated October 5, 1998, and would be in the public interest. The lease/conveyance of both cases, when issued, will be subject to the provisions of the R&PP Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945); and

2. All minerals, together with the right to prospect for, mine, and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

The lease/conveyance of N-82255 will also be subject to:

1. Valid existing rights; and

2. Right-of-way N-77148 for road, drainage, and municipal facility purposes granted to the City of Henderson, its successors or assigns, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761).

The lease/conveyance of N-84469 will also be subject to:

1. Valid existing rights;

2. Rights-of-way N-06486 and N-79652 for communication facility purposes granted to the Central Telephone Company, its successors or assigns, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761); and

5. Right-of-way N-50183 for road and drainage purposes granted to Clark County, its successors or assigns, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761).

On May 6, 2008, the land described above will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the R&PP Act, leasing under the mineral leasing laws, and disposals under the mineral material disposal laws.

Interested parties may submit comments involving the suitability of the land for churches and related facilities. Comments on the classification are restricted to whether

the land is physically suited for the proposals, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Interested parties may submit comments regarding each proposed decisions for the two R&PP applications and plans of development, whether the BLM followed proper administrative procedures in reaching the decision to lease/convey under the R&PP Act, or any other factor not directly related to the suitability of the land for R&PP use.

Please be specific as to which of these two proposals is the subject of any comments submitted; St. Matthews Baptist Church and the Solid Rock Christian Church are considered two distinct authorizations under the R&PP Act.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-415 and 731-TA-933 and 934 (Review)]

Polyethylene Terephthalate Film, Sheet, and Strip From India and Taiwan

Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission (Commission) determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)), that revocation of the countervailing duty order on polyethylene terephthalate film, sheet, and strip from India and the antidumping duty orders on polyethylene terephthalate film, sheet, and strip from India and Taiwan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted these reviews on June 1, 2007 (72 FR 30627) and determined on September 4, 2007 that it would conduct full reviews (72 FR 52582, September 14, 2007). Notice of the scheduling of the Commission's reviews and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on November 5, 2007 (72 FR 64089, November 14, 2007). The hearing was held in Washington, DC, on February 20, 2008, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these reviews to the Secretary of Commerce on April 25, 2008. The views of the Commission are contained in USITC Publication 3994 (April 2008), entitled *Polyethylene Terephthalate Film, Sheet, and Strip from India and Taiwan: Investigation Nos. 701-TA-415 and 731-TA-933 and 934 (Review)*.

By order of the Commission.

Issued: April 30, 2008.
