### Analysis of Agreement Containing Consent Order to Aid Public Comment

#### I. Introduction

The Federal Trade Commission (“Commission”) has accepted, subject to final approval, an Agreement Containing Consent Order (“Agreement”) from TALX Corporation (“Proposed Respondent”). The Consent Agreement settles allegations that TALX has violated Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45, by substantially lessening competition in connection with the provision of outsourced UCM services and employer verification services nationwide through a series of consummated acquisitions. Pursuant to the Agreement, TALX has provisionally agreed to be bound by a proposed consent order (“Proposed Consent Order”).

The Proposed Consent Order has been placed on the public record for thirty (30) days for reception of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will again review the Agreement and the comments received and will decide whether it should withdraw from the Agreement or make final the Agreement’s Proposed Consent Order.

The purpose of the Agreement is to remedy anticompetitive effects, alleged in the Commission’s Complaint in this matter, that will likely result from the acquisitions by Proposed Respondent of James E. Frick Inc., Johnson & Associates, L.L.C., and certain assets and businesses of Gates McDonald & Company, Sheakley-Uniservice, Inc., UI Advantage, Jon-Jay Associates, Inc., and Employers Unity, Inc.

The Proposed Consent Order provides for relief in two markets where the Commission finds reason to believe that these acquisitions likely will have anticompetitive effects: the national market for outsourced unemployment compensation management (“UCM”) services, and the national market for outsourced employer verification

<sup>1</sup> The comment must be accompanied by an explicit request for confidential treatment, including the factual and legal basis for the request,
