[Docket No. RM07-10-000]

Transparency Provisions of Section 23 of the Natural Gas Act; Notice of Form No. 552 Follow-Up Workshop

April 30, 2008.

The follow-up staff workshop in the above-referenced proceeding is scheduled for May 19, 2008, at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in the Commission Meeting Room (2-C) from 9:30 a.m. until 3:30 p.m. (EDT). This is a continuance of the April 22, 2008, Form No. 552 Technical Conference.

Order No. 704, Transparency Provisions of Section 23 of the Natural Gas Act,¹ requires certain natural gas buyers and sellers to identify themselves to the Commission and report certain information about their physical natural gas transactions for the previous calendar year on Form No. 552, established for the purpose of obtaining information about the amount of daily or monthly fixed-price trading

that is eligible to be reported to price index publishers as compared to the amount of trading that uses or refers to price indices. This workshop will address the questions submitted prior to the April 22 Technical Conference in connection with the filing of Form No. 552 as well as issues brought up at that conference.

Staff is issuing this Notice to alert interested individuals of the date for the upcoming workshop, and to note that on May 12, 2008, staff will post a link on the FERC calendar announcing the May 19 workshop, to access staff's draft responses to the questions that have been submitted and an agenda for the May 19 workshop.

The session will neither be web-cast nor transcribed. All interested persons are invited to attend in person or participate via teleconference in the May 19 workshop. There is no fee to register, to participate via teleconference, or to attend the conference.

Those interested in participating by phone must register no later than May 14, 2008, on the FERC Web site at <https://www.ferc.gov/whats-new/registration/form-552-05-19-form.asp>. Those who will participate in person are encouraged, but not required, to register. Information for the conference call will be e-mailed to registered participants. For additional information, please contact Michelle Reaux of FERC's Office of Enforcement at (202) 502-6497 or by e-mail at michelle.reaux@ferc.gov.

Commission conferences and meetings are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll free (866) 208-3372 (voice) or 202-502-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.

l. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

m. *Competing Preliminary Permit—*Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30 and 4.36.

n. *Competing Development Application—*Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30 and 4.36.

o. *Notice of Intent—*A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be

served on the applicant(s) named in this public notice.

p. *Proposed Scope of Studies under Permit—*A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. *Comments, Protests, or Motions to Intervene—*Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

r. *Filing and Service of Responsive Documents—*Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", or "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. *Agency Comments—*Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an

agency's comments must also be sent to the Applicant's representatives.

Kimberly D. Bose,
Secretary.
