Introduction: This notice informs the public of OFHEO's proposal to establish and maintain a new system of records. This notice satisfies the Privacy Act requirement that an agency publish a system of records notice in the **Federal Register** when there is an addition to the agency's system of records. The proposed new system of records is: OFHEO-11-Litigation and Enforcement Information System (LEIS).

Application of Privacy Act exemptions: It has been recognized by Congress that application of all requirements of the Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of

necessary public business. Consequently, Congress established general exemptions and specific exemptions that could be used to exempt records from provisions of the Privacy Act. Congress also required that exempting records from provisions of the Privacy Act would require the head of an agency to publish a determination to exempt a record from the Act as a rule in accordance with the Administrative Procedures Act. Therefore, the Director of OFHEO has determined that certain records and information in the LEIS are exempt from certain requirements of the Privacy Act under 5 U.S.C. 552a(k)(2) as investigatory materials compiled for law enforcement purposes.

As required by 5 U.S.C. 552a(r) of the Privacy Act, and pursuant to paragraph 4c of Appendix I to OMB Circular No. A-130, OFHEO has submitted a report describing the new system of records covered by this notice to the House Committee on Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget. The proposed new system of records described above is set forth in its entirety below.

Dated: April 28, 2008.

James B. Lockhart III,
Director.

suspected or confirmed compromise and prevent, minimize or remedy such harm.

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

Disclosures may be made from this system pursuant to 5 U.S.C. 552a(b)(12) to consumer reporting agencies as defined in the Fair Credit Reporting Act (15 U.S.C. 1681a(f)) when OFHEO is trying to collect a claim of the Government under a law, except the Internal Revenue Code of 1986, in accordance with 31 U.S.C. 3711(e).

Certain records contained in this system of records may be proprietary to other federal agencies and subject to exemptions imposed by those agencies, including the criminal law enforcement investigatory material exemption of 5 U.S.C. 552a(j)(2).
