

Federal Aviation Administration (FAA)

Title: Development of Major Repair Data.

Type of Request: Extension without change of an approved collection.

OMB Control Number: 2120-0507.

Forms(s): 8100-8.

Affected Public: A total of 19 Respondents.

Frequency: The information is collected on occasion.

Estimated Average Burden Per Response: Approximately 14 hours per response.

Estimated Annual Burden Hours: An estimated 406 hours annually.

Abstract: SFAR 36 (to part 121) relieves qualifying applicants involved in aircraft repair of the burden to obtain FAA approval of data developed by them for the major repairs on a case-by-case basis; and provides for one-time approvals.

ADDRESSES: Send comments to the FAA at the following address: Ms. Carla Mauney, Room 712, Federal Aviation Administration, IT Enterprises Business Services Division, AES-200, 800 Independence Ave., SW., Washington, DC 20591.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on May 6, 2008.

Carla Mauney,

FAA Information Collection Clearance Officer, IT Enterprises Business Services Division, AES-200.

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration**

Notice of Intent To Request Revision From the Office of Management and Budget of a Currently Approved Information Collection Activity, Request for Comments; Aircraft Registration

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: The FAA invites public comments about our intention to request the Office of Management and Budget (OMB) to approve a current information collection. The information collected is used by the FAA to register aircraft or hold an aircraft in trust.

DATES: Please submit comments by July 14, 2008.

FOR FURTHER INFORMATION CONTACT:

Carla Mauney on (202) 267-9895, or by e-mail at: Carla.Mauney@faa.gov.

SUPPLEMENTARY INFORMATION:

Federal Aviation Administration (FAA)

Title: Aircraft Registration.

Type of Request: Extension without change of an approved collection.

OMB Control Number: 2120-0042.

Forms(s): AC 8050-1, 2, 4, 98, 117.

Affected Public: A total of 41,978 Respondents.

Frequency: The information is collected on occasion.

Estimated Average Burden Per Response: Approximately 42 minutes per response.

Estimated Annual Burden Hours: An estimated 82,800 hours annually.

Abstract: The information collected is used by the FAA to register aircraft or hold an aircraft in trust. The information required to register and prove ownership of an aircraft is required by any person wishing to register an aircraft.

ADDRESSES: Send comments to the FAA at the following address: Ms. Carla Mauney, Room 712, Federal Aviation Administration, IT Enterprises Business Services Division, AES-200, 800 Independence Ave., SW., Washington, DC 20591.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on May 6, 2008.

Carla Mauney,

FAA Information Collection Clearance Officer, IT Enterprises Business Services Division, AES-200.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION**Federal Highway Administration**

Environmental Impact Statement: Clark County, WA

AGENCY: Federal Highway Administration (FHWA), USDOT.

ACTION: Notice of intent to prepare an Environmental Impact Statement (EIS).

SUMMARY: The Federal Highway Administration is issuing this notice to advise the public and Indian Tribes that an Environmental Impact Statement (EIS) will be prepared for the proposed SR 502 Corridor Widening Project in Clark County, Washington.

DATES: Written comments on the purpose and need, scope of alternatives, and impacts to be considered in the EIS must be received no later than June 10, 2008 and must be sent to the Washington State Department of Transportation (WSDOT) at the address indicated below.

Scoping Meeting Date: One public information meeting will be held on May 20, 2008, 4 p.m.-7 p.m. at the Cherry Grove Friends Church, 9100 NE 219th Street, Battle Ground, Washington.

Oral and written comments may be given at the public meeting. This and all other public meetings will be accessible to persons with disabilities who may also request this information be prepared and supplied in alternate formats by calling Chris Tams at (360) 759-1310 or 1 (866) 279-0730 at least 48 hours in advance of the meeting for WSDOT to make the necessary arrangements. Persons who are deaf or hard of hearing may access Washington State Telecommunications Relay Service by dialing 7-1-1 and asking to be connected to (360) 759-1310.

ADDRESSES: Comments or questions concerning this proposal will be accepted at the public meeting or can be sent to Chris Tams, Area Engineer, Washington State Department of Transportation Southwest Region, P.O. Box 1709, Vancouver, WA 98668-1709; by Fax at (360) 905-2062; or by e-mail to SWGorge@wsdot.wa.gov.

FOR FURTHER INFORMATION CONTACT:

Dean Moberg, Federal Highway Administration, 711 S. Capitol Way, Suite 501, Olympia, WA 98501, Telephone: (360) 534-9344 (direct) or (360) 753-9480 (general). Additional information on the SR 502 Corridor Widening Project can be found on the project Web site at: <http://www.wsdot.wa.gov/Projects/SR502/Widening/>.

SUPPLEMENTARY INFORMATION:

Proposed Action Background

The FHWA and WSDOT will prepare an EIS on the proposed widening of the SR 502 Corridor (NE 219th Street) in north Clark County from a two-lane roadway to a four lane roadway with a median barrier separating westbound and eastbound travel. The SR 502 Corridor Widening is proposed between NE 15th Avenue and NE 102nd Avenue, for a length of approximately 5 miles. The project also proposes to construct paved shoulders for pedestrian and bicycle use, stormwater facilities, and three new signalized intersections on SR 502 at NE 29th Avenue, NE 50th Avenue, and NE 92nd Avenue in addition to the existing signalized intersection on SR 502 at NE 72nd Avenue (Dollars Corner). These improvements are proposed to address the current and future deficiencies related to mobility and safety on the SR 502 corridor.

The SR 502 Corridor Widening Project began as an Environmental Assessment (EA) in early 2007. One agency scoping meeting and one public scoping meeting were held on February 22, 2007 to identify issues and concerns as well as provide input into establishing a range of alternatives for the project. A wide range of alternatives were considered between February and September 2007. Six "on-corridor" alternatives, including widening the existing facility directly to either the north or south of the existing facility, or equally on both sides from the centerline, were studied. Additionally, two "off-corridor" alternatives, which considered constructing a new roadway for SR 502 further north or south of the existing corridor, were studied. Four public open house meetings were held to gather public input on the range of alternatives being considered for the project on: March 27, 2007; May 9, 2007; June 14, 2007; and September 27, 2007. These public meetings resulted in strong public support for one "on-corridor" alternative, which was forwarded for further detailed environmental study along with the no action alternative. As draft environmental discipline studies of the possible effects of the potential alternatives were conducted, it was determined that the widening of the SR 502 corridor may substantially affect the quality of the human and natural environment and may benefit from a more detailed analysis. Therefore, the FHWA and WSDOT elected to prepare an EIS.

Alternatives

The ETS will address, at a minimum, the no action alternative and the following action alternative:

On-corridor Widening Alternative: This alternative would widen the existing SR 502 facility to four general purpose travel lanes from just west of NE 15th Avenue to NE 102nd Avenue. Along the entire SR 502 corridor, two lanes would be constructed in each direction with a median barrier separating westbound and eastbound travel between the four signalized intersections at NE 29th Avenue, NE 50th Avenue, NE 72nd Avenue (Dollars Corner), and NE 92nd Avenue. Paved shoulders that could be used by pedestrians and bicyclists would also be constructed the length of the corridor. Curb and sidewalk would accommodate additional pedestrian travel through the Dollars Corner rural commercial center between roughly NE 67th Avenue and the 7600 block of SR 502. Except at the four signalized intersections, turns to and from SR 502 would be restricted to right-in/right-out turning movements. Stormwater treatment facilities would collect, detain, treat, and discharge stormwater runoff from new impervious surface that results from the roadway widening.

Probable Effects

The FHWA and WSDOT will evaluate all transportation, environmental, social, and economic effects of the alternatives. Potential areas of impact include: Natural and cultural resources; land use; social and economic elements; and, traffic and noise. All effects will be evaluated for both the construction period and the long-term period of operation. Indirect and cumulative impacts will also be evaluated. Measures to avoid, minimize, and mitigate any significant effects will be developed.

Scoping

Agency Coordination: The project sponsors are working with the local, state and federal resource agencies to implement regular opportunities for coordination during the National Environmental Policy Act (NEPA) process. This process will comply with SAFETEA-LU section 6002.

Tribal Coordination: The formal Tribal government consultation will occur through government-to-government collaboration.

The date and address of the public scoping meeting is given in the **DATES** section above. The WSDOT assures full compliance with Title VI of the Civil Rights Act of 1964 by prohibiting

discrimination based on race, color, national origin and sex in the provision of benefits and services. For language interpretation services please contact Chris Tams at (360) 759-1310 or 1 (866) 279-0730. For information on the WSDOT Title VI Program, please contact the Title VI Coordinator at (360) 705-7098.

To ensure that a full range of issues related to this proposed action are addressed and all significant issues identified, comments and suggestions are invited from interested parties. Comments or questions concerning this proposal will be accepted at the public meeting or may be sent to the Washington State Department of Transportation Southwest Region at the address provided above.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal Programs and activities apply to this program.)

Issued on: May 7, 2008.

Dean Moberg,

FHW Area Engineer, Olympia.

BILLING CODE 4910-22-M

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Final Federal Agency Actions on Proposed Highway in Lawrence, KS

AGENCY: Federal Highway Administration (FHWA).

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and other Federal Agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, the South Lawrence Trafficway, K-10 Highway in Lawrence, Douglas County, Kansas. Those actions grant approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions of the highway project will be barred unless the claim is filed within 180 days of this notice. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.
