

the Presidential review period be set at 100 percent of the entered value of the articles concerned. No petitions for review were filed.

On February 12, 2008, the Commission determined not to review the ID and requested written submissions on the issues of remedy, the public interest, and bonding. On February 28 and March 6, 2008, respectively, the complainant Fluke and the Investigative Attorney ("IA") filed briefs and the IA filed a reply brief on these issues.

Having reviewed the record in this investigation, including the ALJ's recommended determination and the parties' written submissions, the Commission has determined that the appropriate form of relief is a general exclusion order prohibiting the unlicensed entry of digital multimeters that infringe the '480 mark or Fluke's protected trade dress and cease and desist orders directed to Electronix Express and HandsOnTools.

The Commission has further determined that the public interest factors enumerated in section 337(d)(1) (19 U.S.C. 1337(d)(1)) do not preclude issuance of the general exclusion order. Finally, the Commission determined that the amount of bond to permit temporary importation during the Presidential review period (19 U.S.C. *1337(j)) shall be in the amount of 100 percent of the value of the digital multimeters that are subject to the order. The Commission's order and opinion were delivered to the President and to the United States Trade Representative on the day of their issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.42-46 of the Commission's Rules of Practice and Procedure, 19 CFR 210.42-46.

Issued: May 14, 2008.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: This investigation was instituted on March 1, 2007, based on a complaint filed by Renesas. The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain dynamic random access memory devices and products containing the same by reason of infringement of certain claims of U.S. Patent Nos. 7,115,344 and 7,116,128. The ALJ also concluded that, pursuant to Commission Rule 210.50(b)(2) (19 CFR 210.50(b)(2)), there is no evidence that termination of this investigation will prejudice the public interest. No petitions for review of this ID were filed.

The Commission has determined not to review the ID.
