Needs and Uses: The Commission will submit this information collection (IC) to the OMB a new collection in which we request emergency OMB review and approval by June 13, 2008. On February 19, 2008, the Commission adopted a Report and Order in MB Docket No. 07–148, FCC 08–56, concerning the DTV Consumer Education Initiative. The Report and Order noted that many retailers have agreed to participate in the National Telecommunications and Information Agency (NTIA) digital-to-analog converter box coupon program. Those retailers claim to have undertaken significant employee training initiatives regarding the converter box program and the digital television transition. Among other things, the Report and Order offered the Commission's assistance to the NTIA to assess those training efforts. In this regard, the Commission's Enforcement Bureau field agents will regularly visit participating retailer stores across the country. They will conduct on-the-spot interviews with retail managers to ascertain whether retailers who participate in the converter box coupon box program are

fulfilling their commitment to engage in extensive employee training on the DTV transition and converter box program. The interview will consist of a series of questions to assess employee training and whether the retailer's objectives are being met at stores. The interview will not be part of an official investigation and no penalty would result from the interview. The information collected will be forwarded to FCC Headquarters to be consolidated into an aggregated report that will then be forwarded to NTIA for its review and appropriate action.
