833–9434; Web site http://www.rtca.org for directions.

**Note:** It is expected that the Eighth Plenary will approve DO–262 Revision A for final submission to the Pro grain Management Committee (PMC). Dress is Business Casual.

**SUPPLEMENTARY INFORMATION:** Pursuant to section 10(a) (2) of the Federal Advisory Committee Act (Pub. L. 92–463, 5 U.S.C., Appendix 2), notice is hereby given for a Special Committee 215 meeting. The agenda will include:

- June 25, 2008:
- Opening Plenary Session (Welcome, Introductions, and Administrative Remarks);
- Review and Approval of Agenda for Eighth Plenary;
- Review and Approval of Seventh Meeting Summary (215–026; RTCA Paper No. 1 16–08/SC215–020);
- DO-262A:
- FRAC: Resolution of Comments;
- Final Plenary Approval of Agenda for Eighth Plenary;
- Review of PMC Approval Process and Next Steps;
- Review of Draft Antenna TSO (K. Blomgren);
- DO-270 Normative Appendix:
  - Report from Drafting Group;
- Subnetwork Operational Approval Process;
- Review and Discussion of FAA Advisory Circular (D. Robinson);
- Closing Plenary Session (Any Other Business, Review of Next Plenary Dates, Adjourn).

Attendance is open to the interested public but limited to space availability. With the approval of the chairmen, members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the person listed in the FOR FURTHER INFORMATION CONTACT section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on May 15, 2008.

Noise Exposure Map Notice; Fort Worth Alliance Airport, Fort Worth, TX

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** The Federal Aviation Administration (FAA) announces its determination that the revised future noise exposure map submitted by the city of Fort Worth for Fort Worth Alliance Airport under the provisions of 49 U.S.C. 47501 *et seq.* (Aviation Safety and Noise Abatement Act) and 14 CFR Part 150 is in compliance with applicable requirements.

**EFFECTIVE DATE:** The effective date of the FAA's determination on the future noise exposure map is May 16, 2008.

FOR FURTHER INFORMATION CONTACT: Paul Blackford, Mr. Paul Blackford, Federal Aviation Administration, 2601 Meacham Blvd. Fort Worth, Texas 76137–0650, (817) 222–5607.

**SUPPLEMENTARY INFORMATION:** This notice announces that the FAA finds that the revised future noise exposure map submitted for Fort Worth Alliance Airport is in compliance with applicable requirements of Part 150, effective May 16, 2008. Under 49 U.S.C. 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing noncompatible uses and prevent the introduction of additional noncompatible uses.

The FAA has completed its review of the future noise exposure map and accompanying documentation submitted by the city of Fort Worth. The documentation that constitutes the "future noise exposure map" as defined in section 150.7 of Part 150 includes: Section 5.0, Exhibits 5.3, 5.4, and 5.5. The FAA has determined that these noise exposure maps and accompanying documentation are in compliance with applicable requirements. This determination is effective on May 16, 2008.

FAA's determination on an airport operator's noise exposure maps is

limited to a finding that the maps were developed in accordance with the procedures contained in appendix A of FAR Part 150. Such determination does not constitute approval of the applicant's data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program. If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47506 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under Part 150 or through FAA's review of noise exposure maps. Therefore, the responsibility for the detailed overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator that submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of FAR Part 150, that the statutorily required consultation has been accomplished.

Copies of the full noise exposure map documentation and of the FAA's evaluation of the maps are available for examination at the following locations: Federal Aviation Administration, 2601 Meacham Boulevard, Fort Worth, Texas; Mr. Kent Penney, Airport Systems Director, City of Fort Worth, Aviation Department, 4201 N. Main St., Suite 200, Fort Worth, Texas. Questions may be directed to the individual named above under the heading FOR FURTHER INFORMATION CONTACT.

Issued in Fort Worth, Texas, May 16, 2008. **Kelvin L. Solco**,

Manager, Airports Division.
