COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Entry of Shipments of Cotton, Wool, Man-Made Fiber, Silk Blend and Other Vegetable Fiber Textiles and Apparel in Excess of U.S. - China Bilateral Textile Agreement Limits for 2008.

June 11, 2008.

AGENCY: The Committee for the Implementation of Textile Agreements (the Committee).

ACTION: Notice.

FOR FURTHER INFORMATION CONTACT: Ross Arnold, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Executive Order 11651 of March 3, 1972, as amended; Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

This notice serves to remind interested parties that charges against the limits subject to the U.S. - China Bilateral Textile Agreement signed on November 8, 2005 (the Agreement) are by date of export and not date of entry. A properly completed electronic visa (ELVIS) transmission will be required for all shipments exported prior to January 1, 2009 that are subject to Agreement limits, regardless of the date of entry into the United States. Shipments exported in 2008 in excess of agreed limits are in violation of the terms of the Agreement. Shipments exported from China on and after January 1, 2009 will not require an ELVIS transmission.

The purpose of this notice is to advise the public that CITA reserves the right to permanently deny entry to or to stage entry to goods that have been shipped in excess of the 2008 limits under the Agreement. Overshipments of merchandise subject to the Agreement shall be subject to delayed and staged entry, in a manner similar to the procedures followed for overshipments of 2005 China textile safeguard limits, as published in the Federal Register Notice on December 5, 2005 (70 FR 72427). Any overshipments of the 2008 limits of the Agreement shall be subject to the following procedures:

1. Entry will not be allowed until one month after the expiration date of the agreement limit. Therefore entry will not be allowed until February 1, 2009.
2. At that time, only 5 percent of the 2008 base limit will be allowed entry for a one month period beginning on that date.
3. An additional 5 percent will be allowed entry monthly until all overshipments are allowed entry.

CITA will publish a notice and directive to U.S. Customs and Border Protection (CBP) later this year indicating the categories involved in staged entry and the 5 percent quantities to be allowed in monthly beginning February 1, 2009.

R. Matthew Priest,

Chairman, Committee for the Implementation of Textile Agreements.

DEPARTMENT OF DEFENSE

Defense Acquisition Regulations System

Feasibility of a Reciprocal Defense Procurement Memorandum of Understanding With Poland

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Request for industry feedback regarding experience in public (particularly defense) procurements conducted by the Republic of Poland.

SUMMARY: DoD is soliciting information from U.S. industry that has had experience participating in public defense procurements conducted by or on behalf of Poland's Ministry of National Defense or Armed Forces. DoD is considering the possibility of negotiating a Reciprocal Defense Procurement Memorandum of Understanding (RDP MOU) with Poland. The contemplated MOU would involve reciprocal waivers of buy-national laws by each country. This would mean that Poland would be added to the list of "qualifying countries" in the Defense Federal Acquisition Regulation Supplement (DFARS), and that offers of products of Poland would be exempt from the U.S. Buy American Act and Balance of Payments Program policy that would otherwise require DoD to add 50 percent to the price of the foreign products when evaluating offers. This also means that U.S. products should be exempt from any analogous "Buy Polish" law or policy applicable to Poland's defense procurements. DoD is interested in industry comments relating to the transparency, integrity, and general fairness of Poland's public (defense) procurement processes. DoD is also interested in comments relating to the degree of reciprocity that exists between the United States and Poland when it comes to the openness of defense procurements to offers of products of the other country.

DATES: Comments, which will be treated in a confidential manner, must be received by July 16, 2008.

ADDRESSES: You may submit comments to: Office of the Director, Defense Procurement, Acquisition Policy, and Strategic Sourcing, ATTN: OUSD (AT&L) DPAP (CPIC), 3060 Defense Pentagon, Washington, DC 20301-3060; or by e-mail to barbara.glotfelty@osd.mil.
