[STB Docket No. AB-43 (Sub-No. 181X)]

**Illinois Central Railroad Company—
Abandonment Exemption—in Ballard
County, KY**

Illinois Central Railroad Company (IC),¹ has filed a verified notice of exemption under 49 CFR Part 1152 Subpart F—*Exempt Abandonments* to abandon approximately 1.66 miles of its rail line between mileposts 364.54 and 366.20, in Wickliffe, Ballard County, KY.² The line traverses United States Postal Service Zip Code 42087.

IC has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on July 17, 2008, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,³

¹ IC is a wholly owned subsidiary of Canadian National Railway Company.

² IC states that the involved line parallels its historic main line and did not provide access to any new shippers upon its acquisition, and that IC has been operating the line as a passing siding for several decades. IC indicates that this filing was made out of an abundance of caution as to whether abandonment authority or an exemption is required prior to removal of the track.

³ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the

formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),⁴ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by June 27, 2008. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by July 7, 2008, with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to IC's representative: Thomas J. Healey, 17641 S. Ashland Ave., Homewood, IL 60430-4381.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

IC has filed both an environmental report and a historic report that address the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by June 20, 2008. Interested persons may obtain a copy of the EA by writing to SEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 245-0305. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), IC shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by IC's filing of a notice of consummation by June 17, 2009, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
