

such trust. Such excise tax is treated as imposed by chapter 42 (other than subchapter E) and is reported and payable in accordance with the appropriate forms and instructions. Such excise tax shall be allocated to corpus and, therefore, is not deductible in determining taxable income distributed to a beneficiary. (See paragraph (d)(2) of this section.) The charitable remainder trust income that is unrelated business taxable income constitutes income of the trust for purposes of determining the character of the distribution made to the beneficiary. Income of the charitable remainder trust is allocated among the charitable remainder trust income categories in paragraph (d)(1) of this section without regard to whether any part of that income constitutes unrelated business taxable income under section 512.

(2) *Examples.* The application of the rules in this paragraph (c) may be illustrated by the following examples:

Example 1. For 2007, a charitable remainder annuity trust with a taxable year beginning on January 1, 2007, has \$60,000 of ordinary income, including \$10,000 of gross income from a partnership that constitutes unrelated business taxable income to the trust. The trust has no deductions that are directly connected with that income. For that same year, the trust has administration expenses (deductible in computing taxable income) of \$16,000, resulting in net ordinary income of \$44,000. The amount of unrelated business taxable income is computed by taking gross income from an unrelated trade or business and deducting expenses directly connected with carrying on the trade or business, both computed with modifications under section 512(b). Section 512(b)(12) provides a specific deduction of \$1,000 in computing the amount of unrelated business taxable income. Under the facts presented in this example, there are no other modifications under section 512(b). The trust, therefore, has unrelated business taxable income of \$9,000 (\$10,000 minus the \$1,000 deduction under section 512(b)(12)). Undistributed ordinary income from prior years is \$12,000 and undistributed capital gains from prior years are \$50,000. Under the terms of the trust agreement, the trust is required to pay an annuity of \$100,000 for year 2007 to the noncharitable beneficiary. Because the trust has unrelated business taxable income of \$9,000, the excise tax imposed under section 664(c) is equal to the amount of such unrelated business taxable income, \$9,000. The character of the \$100,000 distribution to the noncharitable beneficiary is as follows: \$56,000 of ordinary income (\$44,000 from current year plus \$12,000 from prior years), and \$44,000 of capital gains. The \$9,000 excise tax is allocated to corpus, and does not reduce the amount in any of the categories of income under paragraph (d)(1) of this section. At the beginning of year 2008, the amount of undistributed capital gains is \$6,000, and there is no undistributed ordinary income.

Example 2. During 2007, a charitable remainder annuity trust with a taxable year beginning on January 1, 2007, sells real estate generating gain of \$40,000. Because the trust had obtained a loan to finance part of the purchase price of the asset, some of the income from the sale is treated as debt-financed income under section 514 and thus constitutes unrelated business taxable income under section 512. The unrelated debt-financed income computed under section 514 is \$30,000. Assuming the trust receives no other income in 2007, the trust will have unrelated business taxable income under section 512 of \$29,000 (\$30,000 minus the \$1,000 deduction under section 512(b)(12)). Except for section 512(b)(12), no other exceptions or modifications under sections 512–514 apply when calculating unrelated business taxable income based on the facts presented in this example. Because the trust has unrelated business taxable income of \$29,000, the excise tax imposed under section 664(c) is equal to the amount of such unrelated business taxable income, \$29,000. The \$29,000 excise tax is allocated to corpus, and does not reduce the amount in any of the categories of income under paragraph (d)(1) of this section. Regardless of how the trust's income might be treated under sections 511–514, the entire \$40,000 is capital gain for purposes of section 664 and is allocated accordingly to and within the second of the categories of income under paragraph (d)(1) of this section.

(3) *Effective/applicability date.* This paragraph (c) is applicable for taxable years beginning after December 31, 2006. The rules that apply with respect to taxable years beginning before January 1, 2007, are contained in § 1.664–1(c) as in effect prior to June 24, 2008. (See 26 CFR part 1, § 1.664–1(c)(1) revised as of April 1, 2007.)

(d) * * *
 (2) * * * All taxes imposed by chapter 42 of the Code (including without limitation taxes treated under section 664(c)(2) as imposed by chapter 42) and, for taxable years beginning prior to January 1, 2007, all taxes imposed by subtitle A of the Code for which the trust is liable because it has unrelated business taxable income, shall be allocated to corpus. * * *

32 CFR Part 706

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972

AGENCY: Department of the Navy, DoD.
ACTION: Final rule.

SUMMARY: The Department of the Navy is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (Admiralty and Maritime Law) has determined that USS STOCKDALE (DDG 106) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective June 24, 2008 and is applicable beginning 13 June 2008.

FOR FURTHER INFORMATION CONTACT: Commander M. Robb Hyde, JAGC, U.S. Navy, Deputy Assistant Judge Advocate General (Admiralty and Maritime Law), Office of the Judge Advocate General, Department of the Navy, 1322 Patterson Ave., SE., Suite 3000, Washington Navy Yard, DC 20374–5066, telephone: 202–685–5040.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the Department of the Navy

amends 32 CFR part 706. This amendment provides notice that the Deputy Assistant Judge Advocate General (Admiralty and Maritime Law), under authority delegated by the Secretary of the Navy, has certified that USS STOCKDALE (DDG 106) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with the following specific provisions of 72 COLREGS without interfering with its special function as a naval ship: Annex I, paragraph 2(f)(i), pertaining to the placement of the masthead light or lights above and clear of all other lights and obstructions; Annex I, paragraph 2(f)(ii), pertaining to the vertical placement of task lights; Annex I, paragraph 3(a), pertaining to the location of the forward masthead light in the forward quarter of the ship, and the horizontal distance between the forward and after masthead lights; and Annex I, paragraph 3(c), pertaining to

placement of task lights not less than two meters from the fore and aft centerline of the ship in the athwartship direction. The Deputy Assistant Judge Advocate General (Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR Parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.
