Administration for Children and Families

Submission for OMB Review; Comment Request

Proposed Projects

Title: Evaluation of the Community Healthy Marriage Initiative Implementation Study.
OMB No.: 0970-0283.
Description: The Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is conducting a demonstration and evaluation called the Community Healthy Marriage Initiative (CHMI).

Demonstration programs have been funded through Child Support Enforcement waivers authorized under section 1115 of the Social Security Act to support healthy marriage, improve child well-being and increase the financial security of children. The objective of the evaluation is to: (1) Assess the implementation of community interventions designed to provide marriage education by examining the way the projects operate and by examining child support outcomes among low-income families in the community; and (2) evaluate the community impacts of these interventions on marital stability and satisfaction, child well-being and child

support outcomes among low-income families.

The purpose of this information collection is to continue to collect implementation data under the protocols previously approved by the Office of Management and Budget (OMB), OMB Approval No. 0970-0283. Primary data for the implementation evaluation will come from observations, interviews, focus groups and records. One-on-one and small group interviews with project staff and marriage education service providers in the community will provide a detailed understanding of the administration and operation of the demonstrations. Focus group discussions will provide insights into participants' perspectives on marriage education and their experiences with the CHMI interventions.

In addition to the implementation information collected under this request, an impact evaluation will be integrated with the implementation study and will assess the effects of healthy marriage initiatives by comparing family and child well-being outcomes in the CHMI communities with similar outcomes in comparison communities that are well matched to the project sites. Data from the implementation studies will provide the basis for the instrumental variable models of CHMI impacts to help determine direct or indirect exposure to marriage-related services. Baseline data collected under the impact evaluation has been approved by OMB (See OMB Approval No. 0970-0322).

Respondents: Lead Project Staff, Service Provider Organization Staff, Key Community, Civic Stakeholders, and Program Participants.

[Docket No. FDA-2007-D-0207] (formerly Docket No. 2007D-0202)

Guidance for Industry: Microbiological Considerations for Antimicrobial Food Additive Submissions; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the availability of a guidance for industry entitled "Guidance for Industry: Microbiological Considerations for Antimicrobial Food Additive Submissions." The guidance explains FDA's current thinking on a number of microbiological issues unique to the preparation of premarket submissions for antimicrobial food additives.

DATES: Submit written or electronic comments on agency guidances at any time.

ADDRESSES: Submit written requests for single copies of the guidance to the Office of Food Additive Safety (HFS-200), Center for Food Safety and Applied Nutrition, 5100 Paint Branch Pkwy., College Park, MD 20740. Send two self-addressed adhesive labels to assist that office in processing your request, or fax your request to 301-436-2972. Submit written comments to the Division of Dockets Management (HFA-305), Food and Drug Administration, 5630 Fishers Lane, rm. 1061, Rockville,

SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of September 25, 2007 (72 FR 54446), FDA announced the availability of a draft guidance entitled "Guidance for Industry: Microbiological Considerations for Antimicrobial Food Additive Submissions." FDA gave interested parties an opportunity to submit comments on the draft guidance by November 26, 2007. The agency considered the one received comment as it finalized the guidance. The guidance announced in this notice finalizes the draft guidance dated September 2007.

FDA is issuing this guidance document as level 1 guidance consistent with FDA's good guidance practices regulation (21 CFR 10.115). The guidance document represents FDA's current thinking on a number of microbiological issues unique to the preparation of premarket submissions for antimicrobial food additives. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternative approach may be used if such approach satisfies the requirements of the applicable statutes and regulations.

II. Paperwork Reduction Act of 1995

This guidance refers to previously approved collections of information found in FDA regulations. These collections of information are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The collection of information in 21 CFR 70.25, 71.1, 170.35, and 171.1 have been approved under OMB control number 0910-0016; the collection of information in 21 CFR 170.39 has been approved under OMB control number 0910-0298; and the collection of information in 21 CFR 170.101 and 170.106 have been approved under OMB control number 0910-0495.

III. Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments regarding this document.

Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. The guidance document and received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Please note that on January 15, 2008, the FDA Division of Dockets Management Web site transitioned to the Federal Dockets Management System (FDMS). FDMS is a Government-wide, electronic docket management system. Electronic comments or submissions will be accepted by FDA through FDMS only.

IV. Electronic Access

Persons with access to the Internet may obtain the guidance at <http://www.cfsan.fda.gov/guidance.html>.

Dated: June 19, 2008.
